The Obsidian Mirror:

Obsidian Mirror Catherine Fisher,2014-03-06 The obsidian mirror Its power is great and terrible Men have been lost in it the dead brought back to life through it and the future annihilated by it Or this is what will happen unless the mirror is destroyed Three people seek the mirror the first has been sent from the future to shatter its power the second will protect the mirror at all costs obsessed with its power and the third needs the mirror to find a murdered father and save his life But only one can succeed The mirror can send you to the past but it will not bring you back With superb world building that includes the real world the faery world and a dystopic future this hauntingly astonishing adventure is the start of a new trilogy from the master of the sci fi fantasy genre Catherine Fisher Fans of Orson Scott Card Shakespeare Grimm and Blade Runner won t be disappointed

The Obsidian Mirror K.D. Keenan,2015-05-03 Sharp and funny K D Keenan has inherited the mantle of stalwarts Patricia Briggs and Kim Harrison and The Obsidian Mirror is a masterpiece of thrills for every fantasy reader When Sierra Carter an out of work PR executive receives a call from Quetzalcoatl the plumed serpent god of the Aztecs she suddenly has more problems on her plate than unemployment Saving the whole planet for example Sierra discovers that her former employer s semiconductors are in reality a means of spreading a deadly evil around the world Necocyaotl Aztec god of death and destruction has imbued his essence within every device causing people to place their self interest and selfish desires above all else Sierra is called upon to stop him With his request Quetzalcoatl offers strange and gifted assistants Coyotl the trickster otherwise known as Chaco a handsome shape shifting avatar and Fred a diminutive and mischievous mannegishi Although Sierra is skeptical the revelation of a previously unknown world and its attendants is undeniable As is the peril Necocyaotl s return to power promises Entering the fray with avatars and mythological creatures alongside her Sierra will discover there are incalculable wonders and dangers within the new Old World

[A Look into Mirrors](#) Iver P. Cooper,2026-02-11 In the distant past a human being noticed their reflection in a body of water and that the reflection was of their own body It was perhaps love at first sight Over the course of several millennia humans learned how to make that reflection portable first by polishing stone and metal then by bonding a metal to the back of a clear glass or plastic As the reflections became clearer and brighter mirrors were applied to more than self inspection for extended vision via periscopes telescopes microscopes and cameras for communication via heliographs photophones and the mirror galvanometers of undersea telegraph cables for amusement via kaleidoscopes and stage illusions for energy via solar furnaces and sunlight propelled spacecraft and for other purposes via many additional ingenious devices This book presents the story of the construction and use of mirrors for work and play

Mirrors and Reflection Kaia Stonebrook,AI,2025-02-27 Mirrors and Reflection delves into the captivating history of mirrors revealing their surprising impact on science culture and technology More than simple objects of vanity mirrors have played a crucial role in shaping our understanding of both the universe and ourselves The book explores how mirrors evolved from ancient pools of water to

sophisticated scientific instruments tracing technological advancements in mirror making One intriguing fact is that early mirrors were often associated with divination and ritual practices highlighting their cultural significance beyond mere reflection Exploring the cultural significance of mirrors across different societies the book also details their instrumental role in scientific progress Mirrors and Reflection examines how mirrors are indispensable in telescopes lasers and medical imaging This comprehensive approach sets this book apart weaving together technological history cultural analysis and scientific applications The book starts by establishing a historical context then investigates the development of mirror making technologies and culminates in examining the modern applications of mirrors in science

Mirror Reflection History Kaia Stonebrook, AI, 2025-02-27 Mirror Reflection History explores the fascinating story of mirrors from ancient reflective surfaces to modern glass creations revealing their profound impact on culture and self perception The book journeys through the science behind increasingly clear reflections the diverse roles mirrors have played across cultures and the philosophical implications of seeing ourselves reflected back It's intriguing to learn how early civilizations meticulously polished volcanic glass to create mirrors while European glassmakers guarded their mirror making techniques as national secrets The book emphasizes that the history of mirrors reflects humanity's evolving self awareness As mirrors became more accessible they fostered new forms of self scrutiny and artistic expression altering how humans interacted with their image and by extension the world The book begins by introducing the physics of reflection and early mirror examples then explores their cultural significance in ancient civilizations and finally examines the scientific breakthroughs that led to modern glass mirrors and their psychological impact
