The Romantic Ideal:

The Romantic Ideal Christopher Alan Anderson,2012-09-13 The purpose of The Romantic Ideal is to present a definition of romance one that actually adheres to our hearts and souls It is the opinion of this writer that romance actually presents to us our highest calling not religion But we need an icon if you will to believe in to hold us together when the times get tough and to bring out the best within us This icon is the Romantic Ideal The light of love isn't that what romanticism is about The heart beats full there is a sparkle in one's eyes One is filled with the light literally Look at any couple in love The light of their creative balance shines bright They are radiant There is a glow about them They are being bathed in the healing energy of their own love for each other They are in love their lives in the harmony of perfect balance The Romantic Ideal Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now keywords Romance Light Love Ideal Real Creative Balance Sexual Metaphysics [The Decline and Fall of the Romantic Ideal](#) Frank Laurence Lucas,1954 *The Decline And Fall Of The Romantic Ideal* F L Lucas,2011-12-05 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Decline and Fall of the Romantic Ideal** F L (Frank Laurence) 1894-1 Lucas,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Romantic Idea of a University](#) M. Hofstetter,2001-03-14 By the late eighteenth century universities in England and Germany had lost their sense of purpose The romantics then presented them with a new one a new Idea of a university In Germany Johann Gottlieb Fichte and others

stressed that universities must teach more effectively in England Coleridge and Wordsworth attached to the German Idea a desire to keep the universities part of England's national church *The Decline and Fall of the Romantic Ideal* Frank Laurence Lucas, 1936 **Selected Writings--Volume 2** Christopher Alan Anderson, 2012-09-13 Four major writings on the man and woman relationship These writings reflect the maturing of the author's thoughts revealing the breadth and scope of this metaphysical embodiment Includes *Mind and Spirit* *The Romantic Ideal* *The Two Forces of Creation and Dimensions in Consciousness* The man and woman relationship is that which is It shows itself as reality at any point of consciousness existence creating through the two forces of male and female Male and female hold this sexual universe together securing form and reproducing it in their creative balance together Creative balance is their absolute conscious standing It is their knowledge of truth and their living of love One man and one woman **Selected Writings Volume 2** Author Bio Christopher Alan Anderson 1950 received the basis of his education from the University of Science and Philosophy Swannanoa Waynesboro Virginia He resides in the transcendental romantic tradition that vein of spiritual creativity of the philosopher and poet His quest has been to define and express an eternal romantic reality from which a man and a woman could together stand in their difference and create a living universe of procreative love Mr Anderson began these writings in 1971 The first writings were published in 1985 On a personal note when Mr Anderson was asked to describe the writings and what he felt their message was he responded Spiritual procreation Mankind has yet to distinguish the two sexes on the spiritual level In this failure lies the root of our problems and why we cannot yet touch the eternal together The message of man and woman balance brings each of us together in love with our eternal other half right now **The Decline and Fall of the Romantic Ideal; 2nd Ed** Frank Laurence Lucas, 1963 **The Romantic Ideal-The Highest Standard of Romance for a Man** Gregory V Diehl, 2024-11-19 Gregory V Diehl explores life as a man who embraces the boldest romantic ideals a man who pursues romantic self expression self determination and self actualization as his primary mission in a world so often set against it *Bradley and the Problematic Status of Metaphysics* Damian Ilodigwe, 2005 Bradley is a much neglected philosopher The neglect is hardly justifiable considering what Bradley actually wrote However the situation has improved in the last couple of decades as there are signs of renewed interest in Bradley Indeed a basic consensus among Bradley scholars is the need for a reassessment of his philosophy and his place in the history of philosophy In this interpretive and critical work Ilodigwe undertakes an appraisal of Bradley TM's philosophy He argues that Bradley TM's metaphysics of the absolute is the core of his philosophical system This means that we cannot understand Bradley TM's philosophy unless we do justice to this aspect of his thought Nor would it be possible to gain a full conspectus of the varied ramification of his thought if dissociated from the larger milieu relative to which they subsist and have their being Unfortunately much of the contemporary rejection of Bradley TM's metaphysics is predicted on this sort of fragmentary appreciation as evidenced by Russell and James TM's reception of Bradley *Bradley and the Problematic Status of Metaphysics* tries to redress this

imbalance Ilodigwe here makes a case for a fundamental reassessment of Bradley TM s philosophy by taking his account of the Absolute as point of reference for receiving other aspects of his thought In keeping with this strategy Part 1 and 2 focuses on a number of themes in Bradley TM s philosophy such as his account of immediate experience his theory of Judgement his analysis of the essence of thought and his account of truth as appearance In each case Ilodigwe shows how the themes illutrarte a two fold thesis that permeate Bradley TM s thought the claim as to the immanence of the Absolute in its appearances and the further claim that the Absolute is irreducible to to any of its apperances Part 3 relates Bradley TM s philosophy to the situation of contemporary philosophy by assessing Russell and James TM s appraisal of Bradley

Sex and the Soul Donna Freitas,2008-04-11 Based on dozens of face to face interviews Sex and the Soul explores the sexual and spiritual lives of today s college students Donna Freitas crisscrossed the country visiting a range of America s colleges and universities from public to private Catholic to evangelical to find out what students had to say about these highly personal subjects Their stories will not only engage readers but in many cases move them with the painful struggles these candid young women and men face Indeed the book uncovers aspects of college life that may unsettle some readers especially parents Many campuses for instance are dominated by the pervasiveness of hook up culture Moreover many students see little connection between sex and religion even as they seek one between sex and spirituality Indeed these observations hold true even at Catholic schools Only at evangelical colleges is religion an important factor when deciding whether or not to engage in sex But Freitas s research also reveals that even at secular schools students are not comfortable with a culture of casual sex and that they do want spirituality at least if not also religion to speak about what they should do and who they should try to be not just what they should avoid doing Sex and the Soul will offer readers the chance to hear college students speaking honestly about extremely sensitive topics in a book that will be of great interest to students parents clergy teachers and anyone who wants to know what s happening on today s college campuses Named one of the Best Religion Books of 2008 by Publishers Weekly Fascinating disturbing engaging persuasive Freitas s work chronicles a poignant spiritual loss that students themselves articulate and mourn Publishers Weekly Candid disturbing yet ultimately hopeful Throughout this beautifully written book Freitas presents students feelings and experiences in an unflinching yet compassionate way You care about these young people and their struggles This book is a great service to students parents and those at colleges and universities who want to prepare young adults not just for the workplace but for healthy and fulfilling lives Christian Science Monitor *The Romantic Theory of Poetry* Annie Edwards Powell Dodds,1926
