and Mr Hunt as the editor was to take the characteristic or dramatic part of the work upon himself I undertook to furnish occasional essays and criticisms one or two other friends promised their assistance but the essence of the work was to be miscellaneous The next thing was to fix upon a title for it After much doubtful consultation that of The Round Table was agreed upon as most descriptive of its nature and design But our plan had been no sooner arranged and entered upon than Bonaparte landed at Frejus et voila la Table Ronde dissoute Our little congress was broken up as well as the great one politics called off the attention of the editor from the belles lettres and the task of continuing the work fell chiefly upon the person who was least able to give life and spirit to the original design About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
