The Power of a Vision Mike Newberry,2019-03-01 Power can be either constructive or destructive Many have habits lifestyles and toxic relationships that have and do prove themselves destructive People also have many habits lifestyles and healthy relationships that have and do prove themselves constructive Ideally what we want is to remove all the destructive powers in our lives and incorporate the constructive powers *The Power of a Vision* is about a necessary constructive power that we all need 2 Peter 1 9 referring to people who are not doing the hard work it takes to grow in the Lord says this creates a sight problem But the sight problem is specific it s not a problem with seeing things that are before you but it says that these people are blind and cannot see far off We ll have much to say about this passage in 2 Peter 1 within these pages but for now consider the specific sight issue created Furthermore consider the problems this sight issue will create We serve a god of revelation God desires to remove the veil and reveal If something is hidden its existence can be questioned but if it s revealed one cannot deny its existence What a constructive power to see what God has planned to be fully persuaded by what you see What you see influences your daily decisions What you see influences the directions your lives go It is the nature of any journey that if you travel the right direction with enough miles you will arrive at your desired destination How many are miles and miles away from God s perfect plan all because they have no vision Hellen Keller when asked about her blindness said Worse than not having sight is to have sight but no vision

Walking with Jesus on Campus Stephen Kellough,2019-07-02 10 Truths that Transform College for the Christian Our time at university is almost always a pivoting point for better or worse Some people go into college seemingly strong in their faith but walk away burnt out and disillusioned Others come in with spiritual doubts and apathy toward Christ and walk away as passionate Christian leaders

What makes the difference In Walking with Jesus on Campus chaplain Stephen Kellough explores 10 make or break issues like Doubt and Depression Sexuality and Singleness The Sabbath Perfectionism Whether you are heading off to college ministering to college students or are the parent of a college aged kid this book will help you better understand how to tackle what lies ahead **Studies in the Scriptures, Series IV** Charles Taze Russell,1904 **Toward the Mark** Stephen William Paine,1953 Studies in the Scriptures: The new creation Charles Taze Russell,1904 **The Complete Preacher** Isaac Kaufman Funk,1895 *This Thing Called Reason* Benjamin K. Akih,2025-05-06 This book offers a conceptual analysis of reason proposing a plausible theory to resolve persistent vagueness in the historical use of the concept The proposed theory leads to the view that reason is fundamentally subjective and dependent on non inferential matters of faith Despite the inherent subjectivity we can arrive at a consensus in reasoning exercises because we all participate in a universal minimum religion that grounds all reasoning True atheism is therefore impossible This analysis bears on debates about the relation between faith and reason as well as the relation between ethics based on reason and ethics based on sentiments The book further shows that this new and original view of religiously constrained reason ought to equally inform our thinking about applied ethics such as politics law and economics **Chinese Recorder and Missionary Journal** ,1898 Includes section Our book table **Washington News Letter** ,1900 **Reinhold Niebuhr; His Religious, Social, and Political Thought** Charles W. Kegley,2009-12-01 This collection of essays by world scholars of different faiths and fields of study eloquently documents the importance and continuing influence of Niebuhr s extensive body of work Following an intellectual autobiography by Niebuhr are twenty essays forming a candid and vigorous discussion spanning the range of Niebuhr s thought Since Niebuhr first came to the world s attention as a critic of social conditions the book begins with an examination of his social thought especially as a Christian ethicist proceeding from this to the political sphere Further essays offer critical exposition criticism and questions on such topics as Niebuhr s philosophy of history his role in American political thought and life his theology and the historical roots of his thought For this new edition there are updated essays by John Bennett Arthur Schlesinger Jr and Kenneth Thompson plus new interpretations by Ronald Stone and Richard Fox Other contributors include Paul Tillich Emil Brunner and Abraham I Heschel A bibliography of Niebuhr s work has been brought up to date by D B Robertson The Expository Times James Hastings,Ann Wilson Hastings,Edward Hastings,1930 *The Advocate of Christian Holiness* ,1875 **God, the Creator and Lord of All** Samuel Harris,1896 **Loving God, Loving Neighbor** Peggy Kendall; Claire Smith; Tim Ke,2008-04-01 In almost every congregation there is a searching youth who is somehow different from the rest one who thinks more deeply asks more questions and wants to make a difference in the world This young person may be seen as a loner an upstart or someone who does not fit Youth workers may not know what to do with these inquisitive youth and a youth program that meets the congregation s expectations probably won t connect with the needs and interests of searching youth Eventually searching youth turn into searching adults who continue to stir things up

and enrich the life of our congregations with their questions insights witness and service These young people have the capacity and ability to provide significant leadership in our congregations now and in the future Because of their unique gifts we are offering this book as a resource for pastors teachers and youth leaders who work with them In this book faculty members students and recent graduates of Saint Paul School of Theology look through the eyes of their academic disciplines and ministry experience to explore the foundations for ministry with searching youth and to offer designs for your ministry
