## Unity Mitford A Quest:

**Unity Mitford** David Pryce-Jones,1995      **Unity Mitford** David Pryce-Jones,1995-11-06 Unity Mitford was born to sensation She joined the British Union of Fascists moved to Germany and seduced Hitler charming her way into intimate friendships with the most prominent Nazis However when war came she was ordered home to England by Hitler himself This is her story      **The Lost Life of Eva Braun** Angela Lambert,2007-01-09 Featuring 32 pages of intimate home photos this authoritative biography on Hitler s famous mistress is based on detailed new research and opens a new window on the life at the cold heart of the Nazi leadership      Hitler's Court Heike B. Görtemaker,2022-01-12 This revelatory history examines the loyal inner circle that followed and enabled Hitler s rise to power and continued on after WWII Hitler was not a lonely aloof dictator Throughout his rise in the NSDAP he gathered a loyal circle around him and was surrounded by people who celebrated flattered and intrigued him Who belonged to this inner circle around Hitler What function did this court fulfill And how did it influence the perception of history after 1945 Using previously unknown sources Heike G rtemaker explores Hitler s private environment and shows how this inner circle made him who he was Hitler s inner circle the Berghof Society was his private retreat But the court was more than that It provided him with the support he needed to take on the role of F hrer at all while at the same time allowing him to use its members as political front men Most of all it represented a conspiratorial community whose lowest common denominator was anti Semitism In this book Heike G rtemaker asks new questions about the truth behind Hitler s inner circle and for the first time also examines the circle without leaders the networking of the inner circle after 1945      **The Maverick** Thomas Harding,2023-08-29 The captivating story of the famed publisher George Weidenfeld from his struggles as an Austrian Jewish refugee in London to his rise as a world renowned literary figure After arriving in London just before World War Two as a penniless Austrian Jewish refugee George Weidenfeld went on to transform not only the world of publishing but the culture of ideas The books that he published include momentous titles such as Lolita Double Helix The Group and The Hedgehog and the Fox with authors he championed ranging from Joan Didion Mary McCarthy JD Salinger and Edna O Brien to Henry Miller Harold Wilson Saul Bellow and Henry Kissinger His role as publisher brought him into the orbit of influential figures such as George Bush Ann Getty Donald Trump and LBJ In this first biography Thomas Harding provides a full unvarnished and at times difficult history of this complex and fascinating character Throughout his long career he was written about in the New York Times the Washington Post Time Magazine Vanity Fair and other publications Was he as described by some the greatest salesperson the world s best networker the publisher s publisher and a great intellectual Was his lifelong effort to be the world s most famous host a cover for his desperate loneliness Who in fact was the real George Weidenfeld and how did he rise so successfully within the ranks of New York and London society Drawing on author correspondence internal memos and other documents buried deep in the secret publishing files of Weidenfeld Nicolson Harding crafts a portrait of the publisher s life that is inextricable from the efforts

and intricacies of putting a book into the world Structured around twenty books associated with George Weidenfeld and intercut with explorations of contemporary concerns such as cancel culture the right to publish freedom of speech and separating the art from the artist The Maverick tells the captivating story behind the life of this iconic publisher *Teenage* Jon Savage,2008-03-25 In his previous landmark book on youth culture and teen angst the award winning England s Dreaming Jon Savage presented the definitive history of the English punk movement The New York Times Now in Teenage he explores the secret prehistory of a phenomenon we thought we knew in a monumental work of cultural investigative reporting Beginning in 1875 and ending in 1945 when the term teenage became an integral part of popular culture Savage draws widely on film music literature high and low fashion politics and art and fuses popular culture and social history into a stunning chronicle of modern life **Unity Mitford** David Pryce-Jones,1977 Encounter ,1977 Encounter Stephen Spender,Irving Kristol,1977 Country Life ,1976 **Henry Lamb** Keith Clements,1985 **The British Journal of Holocaust Education** ,1992 Woman X Two Mary Kenny,1979 "Collar the Lot!" Peter Gillman,Leni Gillman,1980 Collar the lot Churchill s abrupt order made after Italy declared war was applied to all enemy aliens in Britain Most of them were refugees by July 1940 27000 had been arrested and thousand deported When the liner Arandora Star was torpedoed 800 were drowned **Enchantment** Donald Spoto,2006 Audrey Hepburn remains an icon of movie style of high fashion and mid 20th century elegance This book presents a biography of this great movie star Getting Hitler Into Heaven John Graven Hughes,1987 **In Bed with an Elephant** Ludovic Henry Coverley Kennedy,Ludovic Kennedy,1995 This book is not exclusively a history book a travel book a political tract or another slice of autobiography rather a blend of all four Ludovic Kennedy writes about the aspects of Scotland that excite him and in particular Scotland s rather stormy relationship with England over the centuries From the prehistoric settlement of Skara Brae on Orkney Kennedy moves to a gripping retelling of the story of the 45 rebellion in which Bonnie Prince Charlie emerges as a less than heroic figure Other highlights include Boswell s and Johnson s Highland jaunt and the adventures of the Stone of Destiny its capture by Edward I and subsequent recapture from Westminster Abbey by Scottish patriots in 1950 Ludovic Kennedy illuminates both the famous and the less well known people and incidents from Scottish history **Cold Cream** Ferdinand Mount,2008 Ferdinand Mount s parents belonged to what came to be called Hobohemia a raffish subdivision of the upper class which like some rare blue butterfly was to be found only on the Wiltshire Downs His uncle was Anthony Powell and this sparkling memoir reads like a non fictional A Dance to the Music of Time It throngs with characters of every shade and hue from Harold Acton in Florence having his aesthetic flourishes crisply trumped by his outspoken mother to the wild ways of Donald Maclean from boneshaking cycling with Peter Fleming to discovering a 14 year old Miriam Margolyes an opulent tumble of dark curls and puppy fat reclining on his landlady s hearth rug hoping to pose for Augustus John There is the strange nighttime behaviour of a certain royal together with John Wells Auberon Waugh and the repugnant and ill mannered Oswald Mosley and later on an

intimate acquaintance with Margaret Thatcher and her acolytes Mr Parkinson would like a word Prime Minister Among the beautifully turned anecdotes is sadness too the loss of his grandfather termed one of the Paladins of Gallipoli by Churchill and the unbearably slow and lonely death of his mother Very much a memoir of rich experience and slowly gained maturity and happiness it is a joy to read on every page **Intellectuals and British Fascism** Melvyn David Higginbottom, 1992

Thinking about Peace and War Martin Ceadel, 1987 In the first book to offer a coherent intellectual framework for the study of proposals for the prevention of war Ceadel disentangles three strategic dimensions of the nuclear issue the global balance between the U S and Russia the European crisis and the British position and analyzes the cases for and against nuclear deterrence
