Unknown Marx Brothers:

The Marx Brothers and America Robert E. Weir, 2022-08-31 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor

The Haunted Smile Lawrence J. Epstein, 2008-08-05 Lawrence Epstein's *The Haunted Smile* tackles a subject both poignant and delightful the story of Jewish comedians in America For the past century and more American comedy has drawn its strength and soul from the comic genius of Jewish performers and writers An incomplete listing of names makes the point The Marx Brothers Jack Benny Fanny Brice George Burns Milton Berle Jackie Mason Joan Rivers Rodney Dangerfield Mel Brooks Alan King Mort Sahl Buddy Hackett Woody Allen Lenny Bruce Andy Kaufman Richard Belzer Jerry Seinfeld These men and women among others form the canon of Jewish American comedy In the words of the *Detroit Jewish News* *The Haunted Smile* offers us a deep and subtle understanding of how Jewish culture and American openness gave birth to a new style of entertainment Often the best way to illuminate a point is to recount some of these comedians own brilliant routines and Epstein uses the comedian's work to great effect making for a book that is both a thoughtful work of history and a great deal of fun

A Century of the Marx Brothers Joseph Mills, 2007 In 1905 Julius Marx began his vaudeville career with the singing group The Leroy Trio and was abandoned in the middle of the tour It was an inauspicious start for the person who would become Groucho A hundred years later the Marx Brothers have permeated our culture from the plastic noses and glasses worn at parties to a Smithsonian exhibition which explains DNA recombination using *A Night at the Opera* Although they completed relatively few films together the brothers have become icons recognizable even to people who have never seen their movies Most scholarly work on the Marx Brothers has focused on biographical aspects of their careers and lives *A Century of the Marx Brothers* suggests a myriad of other useful approaches to their film and stage productions The collection's eleven essays examine the Marx Brothers work from a number of critical perspectives ranging from reader response theory to film semiotics The contributors include international scholars in a variety of fields such as literature cultural studies performance studies and film history

Mitchell,2009-05 This edition originally published 2003 **My Brother Death** Cyrus Sulzberger,2017-01-12 This remarkable book by the distinguished journalist Cyrus Sulzberger is in a modern sense comparable to Burton s famous The Anatomy of Melancholy My Brother Death is a thoughtful and finely written effort to discern just what death is to define both it and its relationship to man to discuss how to meet its inevitable approach and what may lie beyond To accomplish this purpose Mr Sulzberger draws heavily from the history of human thought and experience from all the principal religions of East and West from the philosophers saints kings and heroes who one by one have crossed to the unknown He documents and dramatizes the entire panorama of the ways in which men die by acts curiously attributed to the God of disaster pestilence famine and illness by man s own hand in murder war cannibalism capital punishment and religious persecution How does death approach and how and why do the brave best prepare to meet it Not only does the author introduce the reader to the reflections of outstanding men upon their final des tiny he himself has spent many years contemplating this problem which is everyone s secret concern He has personally investigated death on many battlefields and on all seven continents of this earth By these investigations and by his own deep study of history philosophy and the dimly remembered customs of our atavistic past he has assembled a fascinating and in a sense comforting picture of human courage a courage that triumphs over human evil This sad but lovely tale of eternity and our own role in its embrace begins appropriately on a happy little Greek island It ends there aeons later among the soft Aegean waters that bear me northward and backward into time Children of Hollywood Michelle Vogel,2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they d come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home **Groucho and Me** Groucho Marx,2017-07-11 The Me in the title is a comparatively unknown Marx named Julius 1895 1977 who under the nom de plume of Groucho enjoyed a sensational career on Broadway and in Hollywood with such comedy classics as Animal Crackers Monkey Business Horse Feathers Duck Soup A Night at the Opera and A Day at the Races His solo career included work as a

film actor television game show emcee and author of *The Groucho Letters* *Memoirs of a Mangy Lover* and his classic autobiography *Groucho and Me* With impeccable timing outrageous humor irreverent wit and a superb sense of the ridiculous Groucho tells the saga of the Marx Brothers the poverty of their childhood in New York's Upper East Side the crooked world of small time vaudeville where they learned to carry blackjacks how a pretzel magnate and the graceless dancer of his dreams led to the Marx Brothers first Broadway hit *I'll Say She Is* how the stock market crash in 1929 proved a godsend for Groucho even though he lost nearly a quarter of a million dollars the adventures of the Marx Brothers in Hollywood the making of their hilarious films and Groucho's triumphant television series *You Bet Your Life* Here is the life and lunatic times of the great eccentric genius Groucho aka Julius Henry Marx The book is never less than readable and its glimpses of American show business at its least glamorous are simple true and sometimes rather touching *Times Literary Supplement* My advice is to ration yourself to a chapter a night it's that delectable *Chicago Sunday Tribune* **The Video Librarian**, 1998 **Mixed Nuts** Lawrence J. Epstein, 2005 Nothing is needed more in troubled times than a friend to laugh with or two friends to laugh at The great American comedy teams were there for us during the rough years of the twentieth century and as we head into a turbulent new era they've made a surprising resurgence Here for the first time Lawrence Epstein presents the complete story of America's comedy teams from vaudeville to *Seinfeld* and beyond Available only in *Americana* 5 **National Lampoon**, 1984 [Bumper Crop of Anecdotes and Stories, Mostly Humorous, about the Famous and Near Famous](#) Bennett Cerf, 1959 *Is this the Way to Fiction?* Gary Sassaman, 1998 [Vaudeville Times](#), 1998 **Good for a laugh.
