"Many a Song and Many a Leccherous Lay" Jay Ruud, 2019-09-18 Originally published in 1992 Although they were apparently much appreciated in his own time Chaucer's lyrics have for most of the modern era been the most neglected of his poetic productions This work offers a comprehensive overview of Chaucer's lyric corpus The author extends his scope to include in depth discussions of literary and cultural influences that have their impact on Chaucer's lyrics Students who come to Chaucer's poems for the first time will here receive an excellent introduction to each poem the important literary issues surrounding the poem as defined by previous scholarship and Ruud's own clear style
