P G,2025-11 A raw and luminous atlas of a heart learning to beat in the aftermath of love This haunting collection charts the archaeology of memory tracing love and loss as a single unbroken thread Through fragments of obsession silence and self discovery the poems unravel longing chaos and the quiet ache of absence Yet within the ruins lies resilience a journey from the burning intensity of passion to the tender light of healing All The Poems Contained Within Will Mean Everything To Everyone

Joe Dunthorne,2020-06-01 This is the story of one man s dream to edit a groundbreaking contemporary poetry anthology of how that dream was actually a lot of work what with reading many bad poems and also competent ones and handwriting rejection letters and using his wife s family money to pay postage and production costs all while trying to bounce his newborn son to sleep It is the story of the epiphanies that come with extreme tiredness that maybe just maybe the greatest poetry book of all is one that contains no poems Book-prices Current ,1902 Women's Poetry of the 1930s: A Critical Anthology Jane Dowson,2008-02-21 Where were the women of the so called Auden Generation During this era of rapidly changing gender roles social values and world politics women produced a rich variety of poetry But until now their work has largely been lost or ignored in Women s Poetry of the 1930s Jane Dowson finally redresses the balance and recovers women s place in the literary history of the interwar years This comprehensive and beautifully edited collection includes Previously uncollected poems by authors such as Winifred Holtby and Naomi Mitchison Poems which are now out of print such as those by Vita Sackville West and Frances Cornford Poems previously neglected by poets including Ann Ridler and Sylvia Townsend Warner An extensive critical introduction and individual biographies of each poet Poetry lovers students and scholars alike will find Women s Poetry of the 1930s an invaluable resource and a collection to treasure **Poems.**

No detailed description available for Literature of the 1990s **Century Monthly Magazine** ,1885 **Readers' Guide to Periodical Literature** ,1905 *Letters* Samuel Taylor Coleridge,1895 Letters of Charles Lamb, with some account of the writer, and notes, by sir T.N. Talfourd Charles Lamb,1886 **›res vera, res ficta‹: Fictionality in Ancient Epistolography** Janja Soldo,Claire Rachel Jackson,2023-09-18 Letters are famously easy to recognise notoriously hard to define Both real and fictitious letters can look identical to the point that there are no formal criteria which can distinguish one from the other This has long been a point of anxiety in scholarship which has considered the value of an ancient letter to be determined by its authenticity necessitating a strict binary opposition of genuine as opposed to fake letters This volume challenges this dichotomy directly Rather than defining epistolary fiction as a literary genre in opposition to genuine letters or reducing it down to fixed rhetorical features it argues that fiction is an inherent and fluid property of letters which ancient writers recognised and exploited This volume contributes to wider scholarship on ancient fiction by demonstrating through the multiplicity of genres contexts and time periods discussed how complex and multifaceted ancient awareness of fictionality was As such this volume shows that letters are uniquely well placed to unsettle disciplinary boundaries of fact and fiction authentic and spurious and that this allows for a deeper understanding of how ancient writers conceptualised and manipulated the fictional potential of letters "*Thomas Moore*" *Anecdotes* Thomas Moore,Richard Garnett,1899
