Unseen Queen:

The Unseen Queen Troy Denning, 2002 *The Unseen Queen: Star Wars Legends (Dark Nest, Book II)* Troy Denning, 2006-01-10 The epic Star Wars odyssey enters a new frontier as the heroes of the New Jedi Order confront a monstrous evil insidious unseen and insatiable Despite being given new worlds to populate the insectoid Killiks have not found peace An unknown enemy has been attacking the new nests and the Killiks hold the Jedi responsible Traveling back to the Unknown Regions to unravel the mystery the Skywalkers and Solos discover an evil far more familiar than they ever expected and even more terrifying Why does the Dark Nest want to kill Mara Will Jacen s apocalyptic vision trigger another galactic war or prevent one And perhaps most ominous of all what deadly secret are the Killiks hiding To find out Luke Mara Han and Leia must embark on a perilous journey into the uncharted void between right and wrong The ferocious Unknown Terrors are only the beginning of the awesome challenges that lie ahead in their quest to fathom the unfathomable For an obscure dispute is about to explode into chaos pitting Jedi against Jedi and threatening the very galaxy itself Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years

Journal of the Society for Psychical Research Society for Psychical Research (Great Britain), 1913 Elizabeth & Philip Tessa Dunlop, 2023-04-04 This deeply moving story explores the attractions and the tensions that defined the most extraordinary royal marriage of the past seventy five years She was peaches and cream innocence he was a handsome war hero Both had royal blood coursing through their veins The marriage of Britain s Princess Elizabeth to Lieutenant Philip Mountbatten in November 1947 is remembered as the beginning of an extraordinary lifelong union but their success was not guaranteed Elizabeth and Philip A Story of Young Love Marriage and Monarchy plunges the reader back into 1940s Britain where a teenage princess fell in love with a foreign prince There were fears of a flirtatious Greek fortune hunter stealing off with England s crown jewels and then subsequent efforts by the Establishment to reframe Philip as the perfect fit for Britain s most famous family Drawing on original archives as well as interviews with Elizabeth and Philip s contemporaries who are still alive today historian Dr Tessa Dunlop discovers a post war world on the cusp of major change Unprecedented opinion on Philip s suitability was a harbinger of pressures to come for a couple whose marriage was branded the ultimate global fairytale Theirs was a partnership like no other Six years after Elizabeth promised to be an obedient wife Philip got down on bended knee and committed himself as the queen s liege man of life and limb This deeply touching history explores the ups and downs as well as the attractions and the tensions that defined an extraordinary relationship The high stakes involved might have devoured a less committed pair but not Elizabeth and Philip They shared a common purpose one higher even than marriage with roots much deeper than young love Happy and glorious for better or for worse they were heavily invested in a God given mission Monarchy was the magic word
