

Wolfgang Pannenberg

N Noddings

Wolfgang Pannenberg:

The Theology of Wolfgang Pannenberg Carl E. Braaten, Philip Clayton, 2016-07-30 How deep has Pannenberg's influence been on American theology Which particular ideas or themes from his work have been most pervasive to American thinkers and which have encountered the greatest resistance What implications does his work have beyond explicitly theological contexts e.g. for philosophy ethics environmental concerns political action and the natural sciences What new forms have his ideas taken as they have been adapted to fit the very different context of American theology The authors of the twelve critiques in this volume represent a broad cross section of American thought on religion The essays cover virtually all of the major areas in which Pannenberg has published An introductory survey provides a comprehensive overview of the critical literature on Pannenberg from the early 1960s to 1986 Together the essays represent an accurate barometer of the influence Pannenberg has had in America as well as the sorts of reservations that the English speaking world brings to his work It has now been many years since Pannenberg's first visit to the United States At that time the discussion with Pannenberg focused on the radically historical character of his proposal for theology centering around revelation and resurrection In the meantime Pannenberg's thought has expanded almost encyclopedically into most of the major disciplines studied in a modern university Without doubt the most comprehensive theologian at work today his place in the history of twentieth century theology is well assured

Wolfgang Pannenberg Allan D. Galloway, 2024-12-02 First published in 1973 Wolfgang Pannenberg is intended as an introduction for those who do not already know Pannenberg's theology and to discuss some of the problems which it presents for those who do Pannenberg's theology of history has already been widely discussed This is the first work to treat his theology as a whole his doctrine of man of history of God and the Trinity of Christology and resurrection of Church and eschatology showing how it all hangs together It presents Pannenberg's work sympathetically but not uncritically Criticism which others have made are discussed and some new ones offered The exposition is creative offering fresh interpretations and occasionally venturing to suggest possible improvements in Pannenberg's presentation of his argument It is thus an original contribution as well as an interpretation This book is directed to that growing section of the public which likes to keep in touch with what is happening in the forefront of theology and to know where the growth points are Theological students will find it a useful aid to their own reading of Pannenberg

Reason for Hope Stanley James Grenz, 1990 First associated in the 1960s with the theology of hope German scholar Wolfgang Pannenberg has since become a major interdisciplinary thinker and a highly respected voice in the theological community In Reason for Hope Stanley Grenz a former student of Pannenberg and a noted theologian himself provides a valuable complete exposition of Pannenberg's Systematic Theology The book examines Pannenberg's dogmatics in the context of his other works particularly those in English while also providing an up to date overview of the ongoing debate over his writings BOOK JACKET

Wolfgang Pannenberg Don H. Olive, 1973 The intellectual world of Pannenberg Pannenberg at work Pannenberg in

dialogue Pannenberg in perspective The Theology of Wolfhart Pannenberg Elgin Frank Tupper, 1973 Based on the author's thesis Southern Baptist Theological Seminary 1971 Bibliography p 307-316 Theology for the Future Andrew Hollingsworth, 2021-08-19 Wolfhart Pannenberg was one of the most important theologians of the twentieth century and his work has much to offer contemporary theologians In this book the contributors analyze and discuss a component of Pannenberg's theology with an eye to demonstrating its enduring promise for contemporary and future theological construction Topics discussed include Pannenberg's theological method defense of the historicity of Jesus resurrection doctrine of God doctrine of the Trinity theory of time doctrine of creation doctrine of salvation and public theology **The Christology of Wolfhart Pannenberg** Svein Rise, 1997 The Unity of Theology Theodore James Whapham, 2017-11-01 Wolfhart Pannenberg is among the most important Protestant Continental theologians of the twentieth century This volume offers the first full historical and thematic survey of Pannenberg's corpus from his early work in Christology and eschatology to his writings on science anthropology theology and the university and the pivotal achievement of his systematic theology As such the project will make a significant contribution to theological assessment and will be a useful text for students and scholars in modern and contemporary theology **An Introduction to Ecclesiology** Veli-Matti Kärkkäinen, 2002-10-02 Veli-Matti Kärkkäinen provides an up to date survey and analysis of the major ecclesiological traditions the most important theologians and a number of contextual approaches to both the unity and the diversity of ecclesiastic understandings and practices The Theology of Wolfhart Pannenberg. Postscript by Wolfhart Pannenberg Elgin Frank TUPPER, 1973

Introduction to Wolfhart Pannenberg's Systematic Theology Gunther Wenz, 2012-11-21 As one of the great thinkers of our time Wolfhart Pannenberg has influenced the history of Christian theology and philosophy of religion since the second half of the 20th century His Systematic Theology and many of his other works have become classics in the theological science In this introduction Gunther Wenz examines the main pillars of Pannenberg's theology the self-manifestation of God the Trinitarian God the creation of the world Christology anthropology pneumatology eschatology and ecclesiology The book thereby offers a valuable guide to comprehending Pannenberg's Systematic Theology in the context of his most relevant writings Jesus - God and Man, 1982-12-01 One of the most influential twentieth century studies on the doctrine of Christ this highly acclaimed work demonstrates Pannenberg's belief that at the heart of every Christian theology lies its teaching about Jesus Christ The second edition available for the first time in paperback contains an Afterword in which the author reviews other theologians' responses to his thesis and methodology and shows the progression of his own interpretation **A New Hope** Stephen Lakkis, 2014-10-16 Theology and historiography often see the future as a realm open to new experiences and unexpected events Yet for classical physics the future was the result of the universe's predictable development Given enough information about current states we could use the laws of nature to uncover the universe's future Modern space-time theory with its picture of an invariant four-dimensional universe only makes this problem more acute Room for radically novel

events for miracles and new hope seems to have disappeared. It is this hope for something new that the German theologian Wolfhart Pannenberg seeks to preserve in his controversial work on time. To defend God's supernatural freedoms and to escape natural determinism, Pannenberg invokes a medieval understanding of the unsurpassable and absolute power of God using God's *potentia absoluta* to reverse time's flow and express absolute authority over creation's progress. Time and all its contents are utterly subjected under the free will of a divine all-determining reality. But is this tenable for modern understandings of God and the universe? Or does it lead to theological difficulties and promote an arms race between the laws of nature and the rule of God? In this volume, Stephen Lakkis offers an analysis and critique of Pannenberg's approach and suggests a different way forward.

[Understanding Pannenberg](#) Anthony C. Thiselton, 2018-06-01. Wolfhart Pannenberg has forever changed the face of twentieth-century theology. His book on Christology constituted a turning point away from Bultmann's existentialist theology and convincingly vindicated belief in the bodily resurrection of Jesus and its importance for theology. His numerous other works, especially his *Systematic Theology*, *Theological Anthropology*, and *Theology and the Philosophy of Science*, show both depth of learning and an unsurpassed and enviable range of interests. This book aims to explain the vast scope of Pannenberg's thought, his understanding of the sovereignty and majesty of the God as the God of all reality, not only Israel and the church, who also revealed himself in Jesus Christ. Jesus is not simply the pre-resurrection Jesus of many Gospel narratives but the raised and exalted Christ of the whole New Testament. Pannenberg shines a light on the centrality of futurity and of the whole of reality in God's purposes. Meaning becomes clear in the light of the whole, as his hermeneutics explains. He expounds the role of God as Trinity and the Holy Spirit. His vision of God and the whole world is breath-taking and often heartening and practical.

[Reason for Hope](#) Stanley J. Grenz, 2005-11-15. **The Unity of Nature and History in Pannenberg's Theology** Cornelius A. Buller, 1996. The Unity of Nature and History in Pannenberg's Theology addresses the problematic relationship of humans to the non-human world by analyzing Wolfhart Pannenberg's theology and ethics.

[Beginning With the End](#) Carol Rausch Albright, Joel Haugen, 1997. Wolfhart Pannenberg has been a significant voice in the dialogue between religion and science. This collection addresses his position therein and analyzes various topics from behavioural genetics to evolutionary ecology.

Theology for the Future Andrew Hollingsworth, 2021. Wolfhart Pannenberg was one of the most important theologians of the twentieth century and his work has much to offer contemporary theologians. In this book, the contributors analyze and discuss a component of Pannenberg's theology with an eye to demonstrating its enduring promise for contemporary and future theological construction. Topics discussed include Pannenberg's theological method, defense of the historicity of Jesus' resurrection, doctrine of God, doctrine of the Trinity, theory of time, doctrine of creation, doctrine of salvation, and public theology.

Wolfhart Pannenberg on Human Destiny Kam Ming Wong, 2008. Based on one of the greatest living theologians, Wolfhart Pannenberg, this book is the first comprehensive study of human destiny. Mapping out the movement of humanity over the course of its history to its common destiny from

creation through sin and ethics to eschatology the book also examines the extent to which scholars such as Herder have influenced Pannenberg's work in this important area and shows how Pannenberg's project on ethics is related to human destiny

Pannenberg: A Guide for the Perplexed Timothy Bradshaw, 2009-08-30 Wolfhart Pannenberg is one of the most challenging contemporary theologians for students to study This Guide for the Perplexed explains his school of thought and overall ideas in a comprehensive and accessible form

Yeah, reviewing a books **Wolfhart Pannenberg** could ensue your close associates listings. This is just one of the solutions for you to be successful. As understood, endowment does not recommend that you have astonishing points.

Comprehending as without difficulty as union even more than extra will have the funds for each success. next to, the statement as well as insight of this Wolfhart Pannenberg can be taken as skillfully as picked to act.
