## **Wolverines Daughter:**

**Wolverine's Daughter** Doranna Durgin, 2012-05-01 The Wolverine's Daughter is hard tempered by her struggle to survive in the hostile Keturan mountains she knows nothing of the Outlands or of her father or of the curse behind her puzzling clumsiness But she's about to find out what it means to visit those Outlands and they're about to find out what it means to have her When a sword and sorcery book begins with humor it's fairly well guaranteed to be an excellent read This book whips along with impressive fight choreography excellent background descriptions and fascinating plotlines Kliatt Kelyn of Ketura Daughter of a legendary warrior who left the mountains before she was born Brave Strong Tempered by her struggle to survive in the hostile craggy Keturan mountains And plagued by moments of enormous and puzzling clumsiness Find your father the local wisewoman tells her To find your true self find the Wolverine Angered by his abandonment Kelyn doesn't care about her father but the lure of adventure in the Out Lands calls to her just as it called to the Wolverine before her and she accepts the challenge New languages new weapons Magic Witch hunts The treacheries of civilization She doesn't know just how much of a challenge it'll be With this new book Doranna Durgin ventures into classic sword sorcery and turns the subgenre upside down I like Kelyn who could kick Red Sonya's steel bikini clad butt from introduction to epilogue Fantasy fans in general will love this book but it has extra appeal for feminists and for warriors of the female persuasion

**Hypatia's Hoard** *Queering Wolverine in Comics and Fanfiction* Christopher Michael Roman, 2023-05-31 *Queering Wolverine in Comics and Fanfiction* A Fastball Special interrogates the ways in which the Marvel Comics character Wolverine is a queer hero and examines his representation as an open vulnerable and kinship oriented queer hero in both comics and fanfiction Despite claims that Wolverine embodies Reagan era conservatism or hegemonic hypermasculinity Wolverine does not conform to gender or sex norms not only because of his mutant status but also because his character throughout his publication history resists normalization making him a site for a queer heroic futurity Rather than focusing on overt queer representations that have appeared in some comic forms this book explores the queer representations that have preceded Wolverine's bisexual and gay characterizations and in particular focuses on his porous and vulnerable body Through important but not overly analyzed storylines representations of his open body that is always in process both visually and narratively his creation of queer kinships with his fellow mutants and his eroticized same sex relationships as depicted in fanfiction this book traces a queer genealogy of Wolverine This book is ideal reading for students and scholars of comics studies cultural studies gender studies sexuality studies and literature

**Rings of Ranadir** Doranna Durgin, 2022-06-01 For Kelyn of Ketura civilization has never been so uncivilized The Wolverine's Daughter has survived her first foray into the Outlands and found her father but now she must discover what it means to be a half breed daughter born on the run saved by sacrifice and deeply cursed And while she's at it how to rescue her mother's people from their own pride turned into deadly betrayal So many secrets So many lies So many innocents about to die Only a barbarian with wit and steel and one wayward
