## **Stalin An Unknown Portrait:**

**Stalin** Miklós Kun, 2003      *Stalin* Ronald Grigor Suny, 2022-03-29 This biography of the young Stalin is more than the story of how a revolutionary was made it is the first serious investigation using the full range of Russian and Georgian archives to explain Stalin's evolution from a romantic and idealistic youth into a hardened political operative Suny takes seriously the first half of Stalin's life his intellectual development his views on issue of nationalities and nationalism and his role in the Social Democratic debates of the late nineteenth and early twentieth centuries This book narrates an almost tragic downfall we see Stalin transform from a poor provincial seminarian who wrote romantic nationalist poetry into a fearsome and brutal ruler Many biographers of Stalin turn to shallow psychological analysis in seeking to explain his embrace of revolution focusing on the beatings he suffered at the hands of his father or his hero worship of Lenins or sensationalizing Stalin's involvement in violent activity Suny seeks to show Stalin in the complex context of the oppressive tsarist police state in which he lived and debates and party politics that animated the revolutionary circles in which he moved Though working from fragmentary evidence from disparate sources Suny is able to place Stalin in his intellectual and political context and reveal not only a different analysis of the man's psychological and intellectual transformation but a revisionist history of the revolutionary movements themselves before 1917

**Stalin** Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar From the bestselling author of *The Romanovs* The first intimate portrait of a man who had more lives on his conscience than Hitler Disturbing and perplexing The New York Times Book Review Based on groundbreaking research Simon Sebag Montefiore reveals the fear and betrayal privilege and debauchery family life and murderous cruelty of this secret world Written with bracing narrative verve this feat of scholarly research has become a classic of modern history writing Showing how Stalin's triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character this is an intimate portrait of a man as complicated and human as he was brutal and chilling

The Time of Stalin Anton Antonov-Ovseenko, 1983 Anton Antonov Ovseyenko is truly a child of the Bolshevik Revolution and its traumatic outcome His father Vladimir Antonov Ovseyenko led the Bolshevik storming of the Winter Palace in October 1917 and went on to become a famous Soviet military leader political figure diplomat He was finally killed in Stalin's purge of the late thirties Now his son Anton Antonov Ovseyenko almost totally blind and a survivor of many years in Stalin's prisons and concentration camps tells the story of Stalin from personal experience A professional historian since he was freed in the 1950s the author has made use of family connections and other special circumstances to get access to previously unknown sources some obviously high ranking and to personal testimonies on his subject He has unearthed a wealth of new and startling information about Stalin and his long despotic rule Stalin's rise to dictatorship his private life his brutal assault on the peasants during collectivization his plotting of the Kirov assassination the great terror of the 1930s the

actual number of his millions of victims the catastrophic pact with Hitler and subsequent failure to prepare for the German invasion in 1941 his last years as a virtual god and finally his bizarre death publisher **The Time of Stalin--portrait of a Tyranny** Антон Владимирович Антонов-Овсеенко, 1981 Anton Antonov Ovseyenko is truly a child of the Bolshevik Revolution and its traumatic outcome His father Vladimir Antonov Ovseyenko led the Bolshevik storming of the Winter Palace in October 1917 and went on to become a famous Soviet military leader political figure diplomat He was finally killed in Stalin's purge of the late thirties Now his son Anton Antonov Ovseyenko almost totally blind and a survivor of many years in Stalin's prisons and concentration camps tells the story of Stalin from personal experience A professional historian since he was freed in the 1950s the author has made use of family connections and other special circumstances to get access to previously unknown sources some obviously high ranking and to personal testimonies on his subject He has unearthed a wealth of new and startling information about Stalin and his long despotic rule Stalin's rise to dictatorship his private life his brutal assault on the peasants during collectivization his plotting of the Kirov assassination the great terror of the 1930s the actual number of his millions of victims the catastrophic pact with Hitler and subsequent failure to prepare for the German invasion in 1941 his last years as a virtual god and finally his bizarre death publisher **The Journal of Psychohistory**, 2007 The Great Cold War Gordon S. Barrass, 2009 The Great Cold War is arguably the most fascinating account yet written about the Cold War and a timely enunciation of the lessons we need to learn from the Cold War years if we are to be successful in tackling the potential confrontations of the 21st century This is a riveting expose of modern history for the general reader a must read for policy makers and an eye opening overview for scholars and students No other book conveys so vividly how each side interpreted the other's intentions and what shaped their actions In a richly informed and perceptive insider's account former British diplomat Gordon Barrass shows that while there were times when each side did understand the other's intentions there were also times when they were wildly wrong leading to the chilling revelation that the situation was far more serious than most people knew at the time or imagine now In looking back over that half century of confrontation Barrass poses three big questions Why did the Cold War start Why did it last so long And why did it end the way it did To answer them he traveled to Washington Paris Brussels Berlin Warsaw and Moscow to interview nearly 100 people including top policymakers strategists military commanders and key figures in the world of intelligence Their narratives reveal what was going on behind the scenes providing valuable insights into the mixture of insecurity ignorance and ambition that drove the rivalry between the two sides Barrass concludes that bringing the Cold War to a peaceful end was a far greater challenge than just being tough with the Soviets In the end it depended on the Americans getting inside the mind of the Soviets to gain the leverage needed to achieve their goal and intelligence played a key role in that process
