**The Syria-Iran Axis** Nadia von Maltzahn,2013-06-30 Since the Iranian Revolution of 1979 the close alliance between Syria and Iran has endured for over three decades based on geopolitical interests between the two states and often framed in the language of resistance In view of their strong relationship at a state level what have Syria and Iran each been doing to foster popular exchange and employ cultural tools to build an image in the other country The Syria Iran Axis examines the motivations content and reach of cultural diplomacy between Syria and Iran to determine to what degree the two partners have been successful in bridging their world views and political outlooks By analysing the extent to which a state directed cultural exchange can foster bilateral relations in the Middle East Nadia von Maltzahn offers a unique analysis of the formation of foreign policy and diplomacy in the region

**Syria and Iran** Jubin M. Goodarzi,2009-04-30 The enduring alliance between Iran and Syria which came about after Iran s 1979 Revolution proved to be a feature of the Middle East s political landscape in the 20th and early 21st centuries Moreover its impact in moulding events and bringing about major changes in this troubled region proved enormously significant Jubin M Goodarzi provides us with the first in depth study on the Syrian Iranian nexus which traces the origins and development of the strategic partnership between Damascus and Tehran from 1979 until the present He argues that contrary to prevailing views due in large part to the authoritarian and unpopular nature of the Syrian and Iranian regimes the alliance between them was conceived as essentially defensive in nature He puts forth an empirical survey with a chronology of events and analyses the key phases in the evolution of the alliance In the process he explains their significance both in terms of how they affected bilateral relations between the two states and their regional implications Through careful research and analysis Goodarzi reveals linkages between major events in the Middle East and crucial decisions that were made in Tehran and Damascus particularly ones that have been overlooked or ignored by regional analysts and scholars These include the impact of the Israeli invasion of Lebanon in 1982 and the subsequent Syrian Iranian consultations on Iran s position regarding the war with Iraq the effects of US Iraqi actions in the Persian Gulf in 1988 and Iran s moves in Lebanon against the wishes of Syria Goodarzi analyses the stability and security of this partnership and assesses its prospects for the future

*Iran's Networks of Influence in the Middle East* The International Institute for Strategic Studies (IISS),2020-03-31 Tehran s ability to fight by with and through third parties in foreign jurisdictions has become a valuable and effective sovereign capability that gives Iran strategic advantage in the region Tehran has possessed a form of this capability since the Islamic Revolution in 1979 but its potency and significance have risen sharply in the past decade to the point where it has brought Iran more regional influence and status than either its nuclear or ballistic missile programmes The IISS Strategic Dossier Iran s Networks of Influence provides an understanding of how Iran builds operates and uses this capability Based on original field research open source information and interviews with a range of sources the dossier conducts an audit of Iran s activities in the principal regional theatres of Iraq Lebanon

Syria and Yemen and its reach into Bahrain Saudi Arabia and Kuwait It includes an examination of Tehran s nurturing of groups such as the Houthis in Yemen the Badr Organisation in Iraq Hizbullah in Lebanon and Shia militias in Syria and details related to recruitment weapons supply logistics and command and control systems Iran s Networks of Influence is intended through objective fact based analysis to inform both policymakers and practitioners and to stimulate debate on the wider significance of Iran s use of third party partners and the strategic depth they afford Tehran The dossier also examines the advantages that Iran possesses through its recent experience of conflict and its ability to mobilise and deploy sympathetic Shia communities across theatres In a time of rising tension in the region the dossier looks at how Iran might further develop the use of its partnership capability and the risks and constraints it might face *Iran's Foreign Policy in the Post-Soviet Era* Shireen T. Hunter,2010-05-20 A comprehensive exploration of postrevolution Iranian foreign policy analyzes the country s relations with key nations and regions and the impact of both Iran s domestic situation and the developing global system Iran s Foreign Policy in the Post Soviet Era Resisting the New International Order provides the first truly comprehensive in depth survey of Iranian foreign policy issue by issue and country by country since the Islamic Revolution To help readers understand both the what and the why of Iran s role in the world and formulate useful responses to that role the author provides a detailed analysis of Iranian foreign policy in all its dimensions The first part of the book places Iranian actions particularly its relations with the United States and other key players within the context of the emerging international system while also showing how domestic developments impact foreign policy The second part surveys Iranian relations with specific actors notably the United States and Russia and with key regions including Europe Central Asia the Arab world Latin America and Africa Providing an antidote to existing preconceptions this incisive analysis lays an analytically sound basis for shaping policies toward Iran policies with potentially high payoff in terms of regional security and stability *Iran's Rise and Rivalry with the US in the Middle East* Mohsen M. Milani,2025-01-09 The 1979 Islamic Revolution triggered a cold war between Iran and the United States former fast friends Despite the US s relentless efforts at containment Iran has risen as a formidable power in Iraq Syria Lebanon Yemen and Gaza Its newfound status not only frustrates the US but has swiftly become a thorn in the side of Israel and Saudi Arabia How did Iran rise so rapidly And as it faces ever increasing pressure at home and abroad can it hold onto its power Mohsen Milani guides us through the twists and turns of the Iran US rivalry in the battlefields of the Middle East Going from the fall of the Shah to revolutionary Iran s alliances with Syria Hamas Hezbollah Iraqi militias and the Houthis in the Axis of Resistance Milani lifts the veil on Iran s foreign policy strategy and its implications for the region the US and Iran itself *Syria and Iran* Ḥusayn Āghā,Aḥmad Sāmīḥ Khālīdī,1995 [Iran and Syria at the Crossroads](#) Jubin Goodarzi,Woodrow Wilson International Center for Scholars,2013 The alliance between Iran and Syria has been an important and persistent feature on the political landscape of the Middle East for more than three decades The eruption of the Syrian uprising in the spring of 2011 has presented the greatest challenge to the survival of the

Tehran Damascus nexus Does this signify the end of the partnership This article provides a brief overview of the relationship and a detailed analysis of the evolution of Iran s policies perspectives interests and options in the ongoing Syrian crisis

**Syria and Iran** Anoushiravan Ehteshami,Raymond A. Hinnebusch,2002-01-31 It has been the dominant view that both Syria in the 1980s and Iran today have acted as rogue states in the Middle East threatening to upset the stability of the region In this innovative new study Anoushiravan Ehteshami and Raymond Hinnebusch show that these two countries have in fact acted in a rational fashion pursuing the aim of containing Western influence This book demonstrates how Syrian foreign policy resembles the rational actor model and Iran s rational factions in government guide its diplomacy Syria and Iran s foreign policies are shown to be conventional ones of realist diplomacy with their pursuance of a balance of power and spheres of influence Their alliance with each other is also closely examined and found to be defensive in nature Syria and Iran illustrates how these two countries and their alliance forms an integral part of the balance of power in the Middle East It is an exciting contribution to the study of the region and its application of international relations concepts will be welcomed by those studying this area

[Between Russia and Iran: Room to Pursue American Interests in Syria](#) John Parker,National Defense University Press,2019-05-07 President Donald Trump has underscored containing Iran s sway as a key element in establishing a strong and lasting footprint in Syria as the United States moves toward bringing its Soldiers home In pursuing this key American objective this paper recommends that Washington take advantage of the daylight between Russia and Iran and that it be American policy at all levels to work to expand it This long existing daylight was underscored in 2018 by calls in Moscow for Iran to withdraw its forces from some or all of Syria and by Putin s positive regard at the summit in Helsinki with President Trump for Israel s security requirements Russian acquiescence to U S and Israeli strikes against Iranian associated and other forces in Syria reinforces the conclusion that backing a dominant Iran is not one of President Vladimir Putin s priorities However while he will not forcefully oppose the United States and Israel constraining Tehran Putin will resist pressure to break totally with Iran and with the proxies Iran bankrolls and trains to fight in Syria In addition Russia s

leverage on Iranian military and political activities in Syria is limited Russia's solution to its own dilemma of restraining Iranian behavior in the region has been one of addition and mediation rather than subtraction Moscow dilutes Iranian influence by working with other powers including those most antithetical to Iran Russia's relations with Israel are now arguably closer to a strategic partnership than those with Iran Russia's dealings with Saudi Arabia correspond more aptly to an oil axis than the Shiite axis description used by some to characterize the ties between Moscow and Tehran Russia's economic ties and diplomacy with Turkey and greenlighting of Turkish military action in Syria against Kurdish forces have also diluted Iranian leverage in Syria America's imposing military capabilities and veto wielding membership in the United Nations UN Security Council will provide it and its allies with continuing leverage on developments in Syria Putin ultimately will not be able to count on U S acceptance of any deal that leaves Bashar al Asad in place after a transition and new elections Such an outcome would also dash Russian hopes of significant American European and regional contributions to the immense costs of reconstruction that lie ahead in Syria Russia is unlikely to link its actions with the United States in Syria to U S policy toward Iran on the Joint Comprehensive Plan of Action JCPOA nuclear deal or to U S sanctions on Russia To attain the conditions that will make possible the withdrawal of U S troops from Syria the United States needs to maintain a properly resourced military presence on the ground and in Syrian airspace Only if it does so will Russia regard the United States as the most important counterweight to Iran with which Moscow will want and will need to deal Even after the April 13 14 2018 U S UK French strikes on Syrian chemical weapons facilities President Putin remained eager for talks with President Trump and addressed Syria at their summit in Helsinki The Trump administration should therefore continue judiciously to engage Russia as the United States works toward the goals of assuring the defeat of the so called Islamic State IS constraining Iran's malign activities bolstering Israel's security and deterring Syrian government use of chemical weapons without conceding anything in advance on Asad's future or Iran's place in the region

### **Syria Iran Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Syria Iran has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Syria Iran has opened up a world of possibilities. Downloading Syria Iran provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Syria Iran has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Syria Iran. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Syria Iran. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Syria Iran, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Syria Iran has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading

practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
