The Faith:

The Faith Charles W. Colson, Harold Fickett, 2008 Addresses modern world questions about the Christian religion and its tenets drawing on historical events and present day anecdotes to illustrate its joyful aspects while explaining the faith's embrace of the example and message of Jesus

The Faith, the Cross, the Gospel, and the Worship of God Arvil Jones, 2008-06 This book is different from most other books of the same genre It simply takes another approach at expounding upon these great Biblical themes The author has taken the letters of each theme and has built a chapter or chapters upon each letter The author simply believes that there is something else to be said than what has been said so far about The Christian Faith the faith which was once delivered unto the saints May God bless each reader who reads these few pages Dr Jones was born in the small Southeastern Kentucky community of Girdler He is the youngest of fourteen children seven boys and seven girls He and his wife Carolyn now reside in Hamilton OH Dr Jones has earned a Masters degree in Theology and a Doctorate in Religion having held five pastorates in over thirty years of ministry This present work is his fourth book

The Faith Charles Colson, Harold Fickett, 2008-08-19 Rightly understood and rightly communicated the Christian faith is one of great joy It is an invitation to God's kingdom where tears are replaced by laughter and longing hearts find their purpose and their home This is the heart of the gospel God's search to reclaim us and love us as his own But have we truly grasped this Those of us who have disdained Christianity as a religion of bigotry have we repudiated the genuine article or merely demonstrated our own prejudice and ignorance Those of us who are Christians have we deeply apprehended the mission of Jesus and do our ways and character faithfully reflect his beauty From the nature of God to the human condition to the work of Jesus to God's coming kingdom and all that lies between how well do we understand the foundational truths of Christianity and their implications The Faith is a book for our troubled times and for decades to come for Christians and non Christians alike It is the most important book Chuck Colson and Harold Fickett have ever written a thought provoking soul searching and powerful manifesto of the great historical central truths of Christianity that have sustained believers through the centuries Brought to immediacy with vivid true stories here is what Christianity is really about and why it is a religion of hope redemption and beauty

Professing the Faith Douglas John Hall, 1996-11-22 What does it mean to profess the faith as North American Christians at the end of the second millennium What is Christian theology as consciously crafted in light of the distinctive history culture and experience of North America Hall marshalls doctrinal resources for a critical creative response that stresses God's necessary involvement in an unfinished dynamic suffering world

The Faith Factor Dale A. Matthews, Connie Clark, 1999-04-01 Drawing from the latest scientific research as well as numerous illustrative case studies The Faith Factor offers convincing proof that religious practices can and do enhance the healing powers of medicine And nationally renowned physician Dale A Matthews offers a program any patient can follow to incorporate faith into their own healing Dr Matthews points out that encouraging an integration of religious

beliefs and practices in medical settings can have important benefits for the entire medical community from patients and doctors to national health policy makers He shows how the national trend toward rediscovering religious values has led many patients to use prayer in conjunction with conventional treatment and that the results have already confirmed that faith and religious practice can be valuable medicine Finally Dr Matthews helps readers explore the connection between faith and medicine in their own lives through methods of prayer community worship and study of Scripture The Faith That Does Justice John C. Haughey,2006-02-10 The essays in this volume address a closely interconnected set of questions To be true to its mission what function is the Church meant to perform What does the faith of Christians contribute to the human perception of justice What is the theological significance of action undertaken by Christians for political or social transformation Is justice to be looked on as one of the moral virtues that it is incumbent on Christians to practice or has it a more intrinsic link to the gift of faith which Christians have received Does the following of Christ call Christians away from social systems into the new creation or is the call extended to them to concern themselves with the social systems which shape human beings from the Foreword Contributors include Avery Dulles William Dych John Donahue John Langan David Hollenbach Richard Roach William Walsh **The Faith of a Liberal** Nicholas Murray Butler,1924 **The Faith** The Navigators,2004 Updated for a younger generation the life changing DFD 2 0 Bible studies will help students learn why and how to live for God s glory **Keepers of the Faith** Colin D. at the end of the second millennium Douglas Hall looks to the heart of Christian faith its teaching about God Creatures and Christ to articulate a critical and creative response to contemporary culture The core of Hall s trilogy *Professing the Faith* is a fresh and frank engagement of the North American context by one of the continent s finest religious thinkers **The Faith** Dwain R. Leavy,2023-08-23 A recent survey found that a large majority of people who describe themselves as Christians struggle with faith and often succumb to fear and unbelief The enemy has used our lack of understanding along with fear and unbelief to rob us of our inherited blessings through Christ For many faith has become a social media hashtag or some positive force that everyone can access to facilitate a better life However faith is not a social media hashtag nor is it some positive force flowing throughout the universe that we tap into like a Star Wars Jedi The faith of the Bible also known as kingdom faith is the key to experiencing the manifestation of what God has freely given to every believer Everything that our Lord and Savior provided through His death burial and resurrection is available and accessible by faith Throughout the pages of this book we explore what I call the process of kingdom faith Webster defines a process as a series of actions or steps taken to achieve a particular end Just as there is a process to installing software on a computer or baking a cake there is also a process to receiving what God promised in His Word The process of kingdom faith incorporates various faith principles to move us from an expectation of the promises being fulfilled to experiencing the manifestation of those promises It is my prayer that this book will lead you to a more intimate relationship with the Lord and will allow you to take full advantage of the benefits that God has given you through faith **The Faith We Have Not Kept** Strom Thurmond,1968 *A Series of Pamphlets on the Doctrines of the Gospel* Orson Pratt,1891 *Special Report by the Bureau of Education* ,1886 The Encyclopædia Britannica: Demijohn-Edward ,1910 **Foundation Truths of the Christian Religion** Emanuel Swedenborg,1901 **The firm foundation of the Christian faith** Joseph Agar Beet,1891 **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams,1923
