The Hard Awakening Hassan B. Dehqani-Tafti,1981      **Iran and Christianity** Mark Bradley,2011-10-27 In this enlightening study Mark Bradley looks at the growing underground church in Iran Given the hostility of the regime it is often assumed that Christianity is withering in Iran but in fact more Iranian Muslims have become Christians in the last 25 years than since the seventh century when Islam first came to Iran Beginning with an in depth look at the historical identity of Iran religiously culturally and politically Bradley shows how this identity makes Iranians inclined towards Christianity He goes on to look at the impact of the 1979 revolution an event which has brought war economic chaos and totalitarianism to Iran and its implications for Iranian faith The study concludes with an analysis of church growth since 1979 and an examination of the emerging underground church This is a fascinating work guaranteed to improve any reader s knowledge of not only Iranian faith and church growth but of Iranian culture and history as a whole thanks to the thorough treatment given to the country s background      The Living Church ,1981      **Handbook for Mission Workers, etc** Francis CAUDWELL,1874

**American Missionaries in Iran during the 1960s and 1970s** Philip O. Hopkins,2020-09-22 This work explores the interaction of American Protestant missionaries with Iranians during the 1960s and 1970s It focuses on the missionary activities of four American Protestant groups Presbyterians Assemblies of God International Missions and Southern Baptists It argues that American missionaries predisposition toward their own culture confused their message of the gospel and added to the negative perception of Christianity among Iranians This bias was seen primarily in the American missionaries desire to modernize Iran through education and healthcare and between the missionaries relationship with Iranian Christians Iranian attitudes towards missionary involvement in these areas are investigated as is the changing American missionary strategy from a traditional method where missionaries had the final say on most matters related to American and Iranian Christian interaction to the beginnings of an indigenous system where a partnership developed between the missionary and the Iranian Christian      **American Illustrated Magazine** ,1899      Temple Bar ,1899      *Christianity in Persia and the Status of Non-Muslims in Modern Iran* Christian A.
