**The Hungering Dark** Frederick Buechner, 1968      *"The" Hungering Dark* Frederick Buechner, 1969      **The Hungering Dark** Stephen R. Clark, 2016-06-30 I don't know what it is or what it isn't I don't know how it works or functions I don't know if it's magic pure evil straight from hell alien or what All I know is what it does when the lights go out And I know I never want to be in the same room with it in the dark A mysterious and deadly threat housed in a strange puzzle box has found its way to the humble town of Timbuk Pennsylvania The object's origins reach all the way back to Moses the plagues and Pharaoh's wicked magicians For centuries secret groups have been hunting the box and its contents One group allegedly seeks to destroy it The other called the Descendants seeks to use it to visit revenge on the Jewish people Now fate has placed the box in the hands of an unassuming Christian family a small town sheriff a female state trooper and a professor of biblical archaeology Realizing the power the puzzle box holds they must do everything they can to keep their community and the world safe from the deadly darkness      [The Book of Buechner](#) W. Dale Brown, 2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer *The Book of Buechner* explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying *The Book of Buechner* is a much overdue literary journey through one of the most significant American writers of the last fifty years      **The Chance of Home** Mark S. Burrows, 2018-02-20 *The Chance of Home* Somewhere there must be where no one wonders whether you belong So begins the title poem of this remarkable collection from a popular poet and scholar of mysticism These poems remind us that home shapes us not as a particular place home is a way of being in this world for us and for the creatures with whom we share it It finds expression in the inner light that carries us through dark seasons and in what inspires us to risk life in the face of death Home comes to us in the unexpected glimpses we sometimes have of a wholeness resonant enough to hold us amid fragments Many of these poems come from a long looking at the familiar and the ordinary a patient listening for traces of a beauty that might still save us in the rhythms of a street musician plying his trade in a Lisbon subway the radiance of birdsong interrupting the night's last hour and the tolling of an old temple bell that still sings in the silences They ponder the resilience that lies at the heart of the natural world as well as in our desire to thrive amid the distractions that pressure us in our lives In an over saturated age like ours they invite us to linger at the edges of silence and wonder what it means that we are not made for reason alone but for what song can bring of solace and delight      *Reading Buechner* Jeffrey Munroe, 2019-11-19 Frederick Buechner is one of the most gifted writers of his generation with an important legacy as a memoirist novelist theologian and preacher In this book Buechner expert Jeff Munroe presents a collection of the true essentials from across Buechner's diverse catalog as well as an overview of Buechner's life and a discussion of the state of

his literary legacy today      **On Earth as in Heaven** Arthur Paul Boers,2008-02-01 Do we touch God and meet Jesus in a church or a soup kitchen In a monastery or on skid row In a Bible camp or a housing project In heaven or on earth Such distinctions are false says Arthur Paul Boers We can t experience God in heaven without loving the needy on earth Nor can we truly love the needy on earth if not empowered by God in heaven      **The Eyes of the Heart** Frederick

Buechner,2009-10-13 From critically acclaimed author and Pulitzer Prize runner up Frederick Buechner comes another powerfully honest memoir The Eyes of the Heart Full of poignant insights into his most personal relationships this moving account traces how the author was shaped as much by his family s secrets as by its celebrations Within the innermost chambers of his consciousness Buechner in his characteristically self searching style explores the mysteries and truths behind his deepest connections to family friends and mentors Extraordinarily moving this memoir follows not chronology but the converging paths of Buechner s imagination and memory Buechner invites us into his library his own Magic Kingdom Surrounded by his beloved books and treasures we discover how they serve as the gateway to Buechner s mind and heart He draws the reader into his recollections moving seamlessly from reminiscence to contemplation Buechner recounts events such as the tragic suicide of his father and its continual fallout on his life intimate and little known details about his deep friendship with the late poet James Merrill and his ongoing struggle to understand the complexities of his relationship to his mother This cast of characters comprised of Buechner s relatives and loved ones is brought to vibrant life by his peerless writing and capacity to probe the depths of his own consciousness Buechner visits his past with an honest eye and a heart open to the most painful and life altering of realizations heartbreaking and enlightening The Eyes of the Heart is a treasure for any who have ever pondered the meaning and mystery of their own past As one of our finest writers according to author Annie Dillard Frederick Buechner provides yet another chapter in the tale of his life in this gripping memoir tracing the complicated roots and path of his inner life and family with their multitude of intersections The Eyes of the Heart stands as a touching testimonial to the significance of kinship to the author as well as to the legions of readers who have come to regard him as one of their own      **Habits of Thought in the English Renaissance** Debora K. Shuger,Renaissance Society of

America,1997-01-01 By examining orthodox methods of thought in the Renaissance the author tries to reconstruct a picture of the dominant culture of the period in England between 1580 and 1630      **Building Character** E. Dale Click,2004 Are we facing a moral crisis in today s world Perhaps so judging by the daily headlines that parade the ethical failings of numerous public figures before us It seems that more traditional role models whether in the worlds of business government sports or sadly even the ministry than ever are disappointing us and falling short of expectations and fostering cynicism rather than idealism But these lapses are hardly limited to well known people Many surveys have made us aware of a cavalier approach to values in general such as rampant cheating from term papers to tax returns So how can we arrest this decline and instill a greater sense of character in our lives Character is an elusive term but we usually use it to describe the quality of a person s

inner being their moral fiber In this insightful set of meditations E Dale Click suggests that the way to develop character is to put God at the center of our lives And he points out the Ten Commandments and the Beatitudes provide us with the blueprints to enjoying life These essays illustrate that the timeless yet timely guides to living in God s laws the commandments and his declarations the beatitudes exemplify all the admirable characteristics of the godly character filled life Labeled the architect of the United Lutheran Church in America s church wide evangelism mission E Dale Click practiced evangelism in his own pastorate in two suburban congregations and three central city churches He has directed evangelism missions in the United States Canada Puerto Rico the Virgin Islands and Argentina teaching thousands of pastors and lay people the meaning of evangelism The author of five books Click continues to serve as a consultant to numerous congregations and universities in evangelism and development as well as lecturing and preaching across the United States
