Gordon, 2012-06 *Flawed Thoughts Imperfect Perspectives* is a book intended to poetically express the ideas and feelings of many that are brought forth by way of a bold and unashamed writer W A Gordon The poems of this book explore several facets centering tightly around the lives that many people live but choose to reserve their opinion or beliefs on The book is divided into two sections Love and Life and also includes a bonus section Dedication Each poem that has been included in this collection is nothing short of a open window into the life or at least viewpoint of the plainspoken author The range of topics allow all readers to embrace an idea to identify with a different outlook to consider or even simply a feeling of knowing that their idea is not as flawed or imperfect as the title humorously suggests Even though similarly fashioned works are grouped together for continuity each poem has its own story to tell The creativity of the flow of words carefully selected to construct each selection keeps the

Clearing Up Our Misconceptions Stephan Shein-Taw Ahkmaton,2004 Clearing Up Our Misconceptions has been based on many years of research experience applications and a study of many religions and philosophies along with the trials and tribulations of life As well as countless conversations with people from all walks of life on opinions beliefs and understandings It does not address any of its contents from a religious philosophical or political perspective It is based on certain life and manifestation principles apart from a scientific standpoint Whether one may classify them as spiritual universal or some other word or term that they may choose to call them It is written in such a way that it can benefit the young adult or adult with what would be considered an average amount of common sense This book may be determined as a method of mental alchemy Transforming thoughts of success into tangibility failure into successful achievement and vague wonderings into factual knowledge [The Mirror of the Eyes](#) Millicent Morris - Lynch,2017-12-04

The Mirror of the Eyes was inspired by various people whom I have encountered in my life journey It is a melting pot of expressions and cultures that encourages the reader to find himself or herself on several pages The choice in name for this book provides an escape to be gentle with oneself as you are allowed to take a glimpse of souls minds and hearts that come alive through different lens The Mirror of the Eyes provides the opportunity for the reader to make time to heal to reflect to rest in the fact that changes will come and that one should be prepared It is divided into seven segments each segment provides different types of poems for different emotions and times Colors from a Blink exposes the cultural preferences The Soul in Black and White reminds us of our sensitivity and sensibility Both Sides of the Lens shows the struggle between the sexes and highlights the differences as they are while Eyes of Grain speaks to pain and disappointment When comparing Opaque Lens to Behind the Retina the reader is faced with spirituality and human weaknesses See Through is flirtatious and gives the reader the opportunity to relax in vulnerability and laugh at oneself
