Three Go To The Chalet School:

Three Go to the Chalet School Elinor Mary Brent-Dyer, 2022 *The Chalet School Books and the Twentieth Century* Miles Booy, 2025-06-17 The first full length study of this beloved children's series The Chalet School in the Twentieth Century moves beyond the largely generic analysis within which it has previously been discussed Published between 1925 and 1970 the series moves from European reconciliation after the Great War through a second global conflict to a post war world increasingly defined by increased secularity and emerging consumerism Reproducing cover illustrations Miles Booy's book examines both those issues which author Elinor M Brent Dyer consciously explored such as the exceptional The Chalet School in Exile which she sought to explain the Nazi occupation of Austria to her young readers and those aspects of the text which must be read symptomatically This is a book which will engage students with historical and cultural interests beyond children's literature With barely a midnight feast in sight but much anxiety about social change it's a familiar genre but not as you think you know it Hurry up new girls class is about to begin **The New House at the Chalet School ; Three Go to the Chalet School ; Mary-Lou at the Chalet School** Elinor Mary Brent-Dyer, 1983-01-01 The English Catalogue of Books Published from January, 1835, to January, 1863, 1864 **Sequels** Thomas Aldred, 1955 **British Children's Fiction in the Second World War** Owen Dudley Edwards, 2007-08-01 What children read in the Second World War had an immense effect on how they came of age as they faced the new world This time was unique for British children parental controls were often relaxed if not absent and the radio and reading assumed greater significance for most children than they had in the more structured past or were to do in the more crowded future Owen Dudley Edwards discusses reading children's radio comics films and book related play activity in relation to value systems the child's perspective versus the adult's perspective the development of sophistication retention and loss of pre war attitudes and their post war fate British literature is placed in a wider context through a consideration of what British writing reached the USA and vice versa and also through an exploration of wartime Europe as it was shown to British children Questions of leadership authority individualism community conformity urban rural division ageism class race and gender awareness are explored In this incredibly broad ranging book covering over 100 writers Owen Dudley Edwards looks at the literary inheritance when the war broke out and asks whether children's literary diet was altered in the war temporarily or permanently Concerned with the effects of the war as a whole on what children could read during the war and what they made of it he reveals the implications of this for the world they would come to inhabit **The World of Girls** Rosemary Auchmuty, 1992 Examines the work of four authors Elsie Jeanette Oxenham Dorita Fairlie Bruce Elinor Mary Brent Dyer and Enid Blyton Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 *Forthcoming Books* Rose Arny, 2001-06 *The British Library General Catalogue of Printed Books, 1986 to 1987* British Library, 1988 **Jo Returns to the Chalet School ; The New Chalet School ; Three Go to the Chalet School** Elinor Mary Brent-Dyer, 1986-01-01 **The Publisher and Bookseller**, 1928 Official organ of the book

trade of the United Kingdom British Children's Writers, 1914-1960 Donald R. Hettinga, Gary D. Schmidt, 1996 Essays on authors and poets in this volume represent some of the best known writers of children's literature in the twentieth century. This period is marked by certain characteristics such as stories of groups of children bonded together, the emergence of strong female protagonists, the career books, and a consciously subdued presence of pain and suffering. Many of these works are valued for the window they provided upon a culture now gone. **A World of Women** Rosemary Auchmuty, 1999 In this book Rosemary Auchmuty looks at school novels with popular female heroines such as the Abbey Girl books and the Chalet School series. She questions their ability to portray strong independent women and asks why the female authors often resort to the conventions of society, marrying the characters off into a life of domesticity. *The English Catalogue of Books ...* Sampson Low, 1952 Stock List of Junior Fiction for Libraries, 1959 The Whole Story John E.
