The Life of Thomas D'Arcy McGee Volume I Irish Poet Irish Rebel 1825-1850 Charles MacNab Q. C., 2021-10-27 This is an extensive fresh account of the early life of Thomas D Arcy McGee Astonishing new details are provided of his escape across Ireland in 1848 including his stay on Lough Derg in the course of being rescued by Clogher and Derry priests in a carefully managed operation Indications are that his secret mission to the north at the start of the Irish Rebellion had astonishing possibilities but it was so sensitive he could never discuss it later The delightful discovery of his christening gown leads to further examination of his birth and early childhood at Carlingford There is an extensive account of his career as a journalist in America and his early involvement with Young Ireland's cultural and political mission which becomes his own Thomas Davis was an early acquaintance Gavan Duffy was a close friend John Mitchel was an early mentor While McGee led the moderates in the Confederation he was also preparing for war as he organized the Clubs to satisfy the militants just before the revolt There was no truer Irishman The official Government side of the story including Peel's extensive relief efforts made during the Great Irish Famine and Lord Clarendon's continuing vigilance is thoroughly researched and written so as to provide a balanced perspective to the general dissent and the determined and sustained efforts towards Irish independence including McGee's own glorious initiatives

Writing Home Chiamaka Enyi-Amadi, Pat Boran, 2019-10 In Writing Home The New Irish Poets more than 50 poets from all over the world explore the many meanings and connotations of the word home Hailing from places as diverse as India and Italy Poland and Pakistan Canada and the Democratic Republic of the Congo as well as the US the UK and Ireland itself together they present an updated picture of a changing country while at the same time expanding the very definition of writing from Ireland The poems gathered here are as various and lively as we might hope for Some contributors might be said to write home in the traditional sense describing and explaining what they find in the place they now live for others writing home is a determined creative act of self definition For all of them there is the real sense that writing is itself a kind of home building not least at a time when so many borders physical and psychological are under threat of closure across the world
