Three Recovery Classics:

Three Recovery Classics Mel B.,2004-08 In his own quest for sobriety and happiness AA author Mel B found continual hope and inspiration in the classical writings of James Allen and Henry Drummond on the spiritual life and in meditation on the deeper spiritual meaning of the famous Peace Prayer attributed to St Francis of Assisi He has reprinted all three of these in this present volume with his own introductions and commentaries to aid the modern reader James Allen s As a Man Thinketh teaches us that our lives are governed and shaped by the way we think feel speak and act We discover that we are always masters of our fate when our thoughts are wrong our lives necessarily become wrong Henry Drummond s The Greatest Thing in the World a commentary on I Corinthians 13 is a short book on the true nature of Love eternal and all powerful surviving anything we now see in our world He describes in detail how the simple ways we act towards ourselves and others are actually ingredients of the Divine Love itself The St Francis Prayer which A A s Bill W found so valuable in his own struggle with the Dark Night of the Soul makes it clear that true Peace can be found only within ourselves It shows us step by step how to change our inner attitudes and goals to achieve the only kind of serenity and satisfaction in our lives that can endure Father Ralph Pfau and the Golden Books Glenn F. Chesnut,2017-01-04 Father Ralph Pfau was one of AAs four most published and most formative authors along with Bill Wilson Richmond Walker and Ed Webster during the new movements earliest thirty years during which it grew from only 100 members to almost 300 000 In the first ten years Pfau spent working to spread AA he said I have traveled nearly 750 000 miles I have spoken before nearly two hundred thousand members of AA at retreats meetings and conventions and personally discussed problems with more than ten thousand alcoholics He produced fourteen extremely popular books called the Golden Books under the pen name Father John Doe along with other books and recordings When he joined Alcoholics Anonymous in 1943 he became the first Roman Catholic priest to get sober in the newly formed movement An alcoholic and drug addict he had spent the previous ten years being removed from parish after parish as his drinking and addiction to downers got out of control over and over again He taught the spirituality of imperfection drawing from St Threse of Lisieuxs Little Way and St Augustines teaching of God as Truth Itself the forgiving God who touches us in our fallenness in acts of sudden psychological insight in which our whole perspective on life undergoes sweeping positive quantum changes Over and over he calmed peoples fear of God by reminding them that perfection was a myth and that no human being could do it all He was one of the most creative and interesting American Catholic theologians of his era **The Five Classics** Confucius,2021-09-10 The Five Classics are five pre Qin Chinese books that form part of the traditional Confucian canon During the Western Han dynasty which adopted Confucianism as its official ideology these texts became part of the state sponsored curriculum It was during this period that the texts first began to be considered together as a set collection and to be called collectively the Five Classics _x00D_ I Ching The book contains a divination system comparable to Western geomancy or the West African If system In Western cultures and modern East Asia
