Two Men Kind Operation:

Handbook of Modern Electric Railway Methods and Practices American Transit Association, 1925 **You May Take the Witness** Clinton Giddings Brown, 1955-06-01 When Clinton Giddings Brown 1882 1964 retired from a long and successful career as a trial lawyer in San Antonio Texas fishing on the Gulf Coast was out by doctor s orders So he sat on the front gallery of his house in San Antonio and fished with a lead pencil in the richly stocked memories of his professional life Some days I didn t get a nibble but some mornings they were biting fine The resultant and delightful catch is the story of a full merry and successful life From the day in 1906 when Mr Clint hung out his shingle in a little office over his father s bank through the long succession of fine scraps rough and tumble no holds barred which were the jury cases he tried for defendant corporations in personal injury damage suits there was not much about the law and about human nature that he did not have the opportunity to learn The first client in the little office was Charlie Ross a Pullman porter who wanted to make sure that the title on his new house was clear The fee was 15 and Charlie was his friend for life In the pages that follow the reader will meet many other unforgettable characters including Dr John Brinkley the man who made a million dollars a year from his goat gland operation until Dr Morris Fishbein called him a quack old Jim Wheat who killed a white man and Jim s little grandson Lige who knew what God would do to him if he told lies in court Bosco who forgot his complete paralysis when the lady lure came into the picture and pretty little Mary whom the jury loved Brown was elected district attorney for Bexar County Texas in 1913 and became mayor of San Antonio the following year in the latter office he served two terms resigning to join the Army in the First World War On his return from France he was invited to work with a law firm that represented many large corporations among them the Public Service Company which ran San Antonio s streetcar and bus lines and the Southern Pacific Railroad Soon made a partner he remained with the firm until his retirement and through a quarter of a century tried about as many jury cases as any other attorney in the city You May Take the Witness is a book for anyone who has ever felt the fascination of courtrooms and trials and who has not It is also a book in which lawyers will find an excellent refresher course for both mind and spirit Here are invaluable tips on all the ins and outs of jury trial not from the flat dimensions of a law school text but from the full real world of actual trials and the men and women involved Brown tells how to handle witnesses and to pick juries when to object and when not to object The most important lesson of all he says is to value the jury and be an honest person before them The jury is decent so you be decent and be yourself It is clear that Clinton Giddings Brown succeeded as a lawyer because he succeeded as a human being just as it is clear that he knows how to tell story after fine story because he enjoyed living each episode of his life to its fullest Central Electric Light and Power Stations and Street and Electric Railways with Summary of the Electrical Industries ,1915 Central Electric Light and Power Stations and Street and Electrical Railways United States. Bureau of the Census, 1915 **The Roguish World of Doctor Brinkley** Gerald Carson, 2020-01-01 At various times there arises some extraordinary popular sorcerer to exploit the

people in one or all of such potentially profitable fields as religion politics and of course medicine Such a man was John R Brinkley of Kansas Texas and Arkansas medical maverick and potent radio personality a physician and surgeon with sketchy training lone wolf ethics a sense of glittering destiny and a free wheeling spirit of adventure who missed winning the governorship of Kansas twice by a micron s breadth Doctor Brinkley revived the old dream of eternal youth on a spacious scale and devised a goat gonad operation which he promised would make any oldster once again a marvel of sexual potency Six thousand goats gave up their virility for his patients netting the doctor twelve million dollars He owned the most powerful radio station in North America and had his own busy hospital He was a guest at the White House a thirty second degree mason and the owner of a vast fleet of Cadillacs three yachts and a palatial Texas estate But of course all his life the law was just around the corner In the end the AMA the U S Post Office the State Department and the FCC proved too much for him He died the finest flower of U S medical quackery in 1942
