

Night Dreams

I'd like to think that I could fly,
To lift my feet and touch the sky,
To soar above, look down below,
And never know just where I'd go."

And if I could, oh what I'd see!

"Oh, if the wind would carry two,
I'd hope that I could fly with you;
And hand-in-hand we'd chase the stars
And lock them up in pickle jars."

"We'd laugh and smile, then set them free
To twinkle for eternity.

Two Poems Of Night:

Two Poems of Night Edward Lucie-Smith, 1972 *Mayakovsky* Edward James Brown, 2015-03-08 An absorbing portrait of an extraordinary man an analysis of the work of a great Russian poet and the evocation of a crucial period in Russian cultural history all are combined in Edward J Brown s literary biography of Vladimir Mayakovsky It is the only book to reveal the whole Mayakovsky not just aspects of his tortured personality or artistic work and will be immediately recognized as definitive Mayakovsky contributed to the cultural life of Soviet Russia not only as a lyric poet but as a playwright graphic artist and satirist of the conventional art forms of his day By examining his art in terms of his life Edward Brown shows how intensely personal it was and how bound up in the literary and political history of his time The intellectual turmoil of the period is skillfully re created especially the nature ambience and personalities of Russian futurism Above all the book reveals the man a committed Bolshevik and a dedicated artist but also a hypochondriac compulsive gambler and eventual suicide Originally published in 1973 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Masterplots: The four series in eight volumes;**
