Two Sides Of Hell:

Two Sides of Hell Vincent Bramley,1995-12 In August 1992 a Public Enquiry was launched by the MOD and Malcolm Rifkind headed by the Serious Crime Squad into war crimes allegedly committed by one of the members of 2 Para Regiment during the Falklands War To counter balance the findings of the enquiry the author wrote this book to help civilians understand the reality of being a common soldier in the heat of war the time when the rule book and common morality are most likely to be abandoned Perhaps the most shocking truth of all to emerge from these first person accounts concerns the appalling treatment that the Argentinian conscripts recieved at the hands of their own officers The book is based on interviews with eight Argentinian soldiers and five British paratroopers

Hell's Gate (Book 1 in New MULTIVERSE Series) David Weber,Linda Evans,2006-10-31 by David Weber Linda Evans The Union of Arcana has expanded through the portals linking parallel universes for over a century and a half In that time its soldiers and sorcerers have laid claim to one uninhabited planet after another But all of that is about to come to a screeching halt for the Union s scouts have just discovered a new portal and on its far side lies a shattering revelation Arcana is not alone after all There is another human society Sharona which has also been exploring the Multiverse and as the initial disastrous contact snowballs into all out warfare both sides can agree on one thing The portal which brought them together is Hell s Gate itself

Jesus the Everlasting Hope of Humankind Don Elijah Eckhart,2018-09-17 Jesus the Everlasting Hope of Humankind Biblical Theology Prompted by Visions and Dreams from the Holy Spirit begins with a vision that came to Don Eckhart of two persons one a Spirit filled Christian and the other in the lake of fire The vision depicts Jesus saving the desperate one crying out for mercy Eckhart enrolled in seminary where he studied the Bible and the history of Christian theology especially eternal punishment a topic seldom examined since Augustine in the fifth century Uniquely unfolding in the book are visions and dreams prompting an insightful study of Scripture and a biblical theology developed as the hope of Christ mediated salvation for all The effects are far reaching but not complicated This coherent theology includes afterlife correction and purification for nonbelievers as well as for believers who never fully devoted to Jesus Christ This purification compares to Catherine of Genoa s vision in the early sixteenth century The book demonstrates how God s desire that all be saved can be accomplished according to Scripture God s sovereignty and human free will coalesce as every tongue joyfully confesses that Jesus Christ is Lord The Good News may be even better than we thought
