A moving scene ensues as the gipsy hero breathes life and warmth back into the virginal Yvette who feels the powerful attraction of his manhood and strength She falls asleep and the gipsy disappears Her family returns home to find her safe and they adulate the gipsy as her savior

The Virgin and the Gipsy David Herbert Lawrence,2020-06-13 When the vicar s wife went off with a young and penniless man the scandal knew no bounds Her two little girls were only seven and nine years old respectively And the vicar was such a good husband True his hair was grey But his moustache was dark he was handsome and still full of furtive passion for his unrestrained and beautiful wife Why did she go Why did she burst away with such an clat of revulsion like a touch of madness Nobody gave any answer Only the pious said she was a bad woman While some of the good women kept silent They knew The two little girls never knew Wounded they decided that it was because their mother found them negligible The ill wind that blows nobody any good swept away the vicarage family on its blast Then lo and behold the vicar who was somewhat distinguished as an essayist and a controversialist and whose case had aroused sympathy among the bookish men received the living of Papplewick The Lord had tempered the wind of misfortune with a rectorate in the north country The rectory was a rather ugly stone house down by the river Papple before you come into the village Further on beyond where the road crosses the stream were the big old stone cotton mills once driven by water The road curved uphill into the bleak stone streets of the village
