Virginia City:

A Short History of Virginia City Ronald M. James, Susan A. James, 2014-09-15 Founded in 1859 Virginia City quickly became world famous for its extraordinary prosperity Over the next two decades the mines of the Richest City on Earth yielded millions in gold and silver The newly wealthy built mansions and churches opera houses and schools with furniture fashions and entertainment imported from Europe and the Far East Here young Samuel Clemens reporting for the Territorial Enterprise in 1863 first called himself Mark Twain At its height Virginia City was a magnet for immigrants and the world leader in technological innovations in mining The city s story did not end when the Comstock Lode played out Beginning in the 1930s bohemian artists literati and tourists were intrigued by this remnant of the Old West The leader of Manhattan s caf society Lucius Beebe moved here and relaunched the Territorial Enterprise in 1950 Television s most popular western from 1959 to 1973 Bonanza located its fictional Ponderosa Ranch nearby In the summer of 1965 a handful of Bay Area musicians including Big Brother and the Holding Company performed at the Red Dog Saloon and launched psychedelic rock part of the inspiration for a defining decade of youth culture Today it is both a National Historic Landmark District and a living community Visitors come to enjoy its saloons and restaurants admire its architecture and learn from its museums and exhibits A Short History of Virginia City will enhance their experience and will also be enjoyed by anyone interested in the history of Nevada mining and the Old West Includes an illustrated walking tour describing more than thirty buildings and sites

Witness to History John David Ellingsen, 2011 Witness to History by Virginia City Curator Emeritus John D Ellingsen is a delightful and often moving book unusual among writings on the Gold Rush era of Montana and the West It is part history part memoir and part passionate essay about the importance of historic preservation The book details the origins of Virginia City and Nevada City their rough beginnings and their glory days It also offers a unique perspective on the restoration and saving of Virginia and Nevada Cities by a man who has dedicated his entire life to that cause More than two dozen historical photographs help to tell one of the most significant stories of historic preservation in the western United States

Virginia City and the Big Bonanza Ronald M. James, Susan A. James, 2009 In Virginia City and its Comstock Lode miners worked one of the richest deposits of gold and silver ever found Many places claim that title but the precious metals retrieved between 1859 and 1880 with an equivalent value today in the billions of dollars played an unprecedented role in industrial history With cutting edge technology Comstock engineers shaped mining throughout the world for the next 50 years Virginia City s wealth propelled several people to Congress and others into the nation s highest society At the same time those who settled in the mining district built a civilized sophisticated place Drawing on former glories the popular television series Bonanza perpetuated the legend capturing international audiences with 14 seasons of programs As one of the nation s largest historic landmarks the Comstock continues to welcome millions of visitors
