Artifacts and Organizations Anat Rafaeli, Michael G. Pratt, 2013-06-17 Artifacts in organizations are ubiquitous but often overlooked The chapters in this book illustrate that artifacts are everywhere in organizational life They prevail in how offices are decorated language is used business cards are designed and office cartoons are displayed In addition artifacts can be seen in the name of an organization and its employees products buildings processes and contracts and they represent people organizations and professions Artifacts and Organizations suggests that artifacts are neither superficial nor pertinent only to organizational culture They are relevant to a rich and diverse set of organizational processes within and across multiple levels of analysis Artifacts are shown to be integral to identity sense giving and sense making processes interpretation and negotiation legitimacy and branding The book seeks to communicate that artifacts are often much more than what is currently recognized in organizational research The four sections of this edited volume address various aspects of what is known about and known through artifacts Together the full set of chapters challenge the field to move beyond a narrow conceptualization and understanding of artifacts in organizations This book leads students to embrace the full complexity and richness of artifacts In addition the text seeks to inspire those who focus on artifacts as symbols to delve deeper into the complexities of artifacts in use for individuals organizations and institutions

Dana Anderson,2007 This work is an investigation into the persuasive techniques inherent in presentations of identity
Anderson constructs a rhetorical theory for understanding persuasive strategies involved in the expression of personal
identity Drawing on Kenneth Burke s Dialectic of Constitutions Anderson analyzes conversion narratives to illustrate how the
authors of these autobiographical texts describe dramatic changes in their identities as a means of influencing the beliefs and
action of their readers The concept of Identity conveys the idea that people possess a certain capacity for self understanding
and self definition Communicating this self interpretation is inherently rhetorical Expanding on Burkean concepts of human
