Visiting Hour A Play:

Visiting Hour Richard Harris, 1991 Six interlinked plays set in a National Health hospital during visiting hour Alternately funny and sad with elements of tragedy and comedy in each your audience will be reaching for the Kleenex one minute and rolling in the aisles the next

Visiting Hours Tagan Shepard, 2017-08-01 Alison Reynolds knows exactly who she is and what she wants With a well established career as a history professor Alison is professional and for the most part strait laced the exact opposite of Dr Jess Baker Jess is spirited impulsive and confident to the point of cockiness A promising physician recently transplanted from the West Coast Jess sticks out in her new home of Richmond Virginia The two clash immediately and often Jess is infuriating unprofessional and altogether too distracting She also seems to be trying awfully hard to get Alison s attention The more fate throws them together the more Alison discovers that while their differences may be exciting it s the little ways they re alike that are downright irresistible

The Visiting Hour Frank McGuinness, 2021 You used to swing me on our garden gate In and out in and out out and in me on top of the gate safe because I was in your arms my father s big strong arms Recalling events that may or may not have happened people he may or may not have known an elderly father weaves his life funny angry poignant as if in a dream His daughter perched outside his window as close as the pandemic allows responds with conflicting memories They sing and argue they broach dangerous ground their profound love apparent despite themselves until the visiting hour is up Written during the Covid 19 lockdown of 2020 Frank McGuinness s *The Visiting Hour* premiered in April 2021 at the Gate Theatre Dublin in the first online Gate At Home production About the play

The One-Act Play Companion Colin Dolley, Rex Walford, 2015-01-05 The one act play stands apart as a distinct art form with some well known writers providing specialist material among them Bernard Shaw Tom Stoppard Harold Pinter Caryl Churchill Alan Ayckbourn Edward Albee and Tennessee Williams There are also lesser known writers with plenty of material to offer yet sourcing one act plays to perform is notoriously hard This companion is the first book to survey the work of over 250 playwrights in an illuminating A Z guide Multiple styles nationalities and periods are covered offering a treasure trove of compelling moments of theatre waiting to be discovered Guidance on performing and staging one act plays is also covered as well as essential contact information and where to apply for performance rights A chapter introducing the history of the one act play rounds off the title as a definitive guide

Children , 1956 **The Guide to Selecting Plays** Samuel French Ltd, 2006 **New York Supreme Court** , **augmented** Candi K. Cann, 2026-03-10 A provocative rethinking of the intersection of death technology and disability for a better life We are all cyborgs relying on technology whether it s Alexa a pacemaker or a titanium knee for our quotidian existence In our deep connection to a technological world from robots to augmented and virtual realities metaverses and gaming Candi Cann sees an opportunity and good reason to question our ideas about accessibility and inclusion In augmented she asks us to reconsider traditional notions of biology and death Having relied on hearing aids from the age of four Cann uses her experience to challenge readers to reconsider their

assumptions about technologies and their role in life and death She also focuses on what it means that most of us are living longer with the intervention of medical technologies and how a better understanding of our relationship to technology will grant us greater control as we age Drawing on her life experience in Asia the author explains how cultural and religious views of machines and artificial intelligence vary globally in particular how a Western fear of machines contrasts with an animistic worldview that can see machines as conduits of care for others embedding spiritual possibilities **The Musical Times & Singing-class Circular** ,1927 **All the Year Round** Charles Dickens,1879 **Truth** ,1905 **Life** ,1922
