north you'll discover all the best this country has to offer. This guide is packed with practical advice on exploring Canada's great outdoors from hiking or skiing in the Rockies to canoeing through British Columbia's lakes and from whale watching to looking out for grizzly bears. Whether you're camping in one of the many beautiful national parks, heli-skiing in the mountains or going in search of the northern lights, this book will give you all the practical advice you need for an amazing adventure. Make the most of your time with *The Rough Guide to Canada* — *Canada - Culture Smart!* Diane Lemieux, Juliana Tzvetkova, 2023-02-23. Have a more meaningful and successful time abroad through a better understanding of the local culture. Chapters on values, attitudes, customs, and daily life will help you make the most of your visit, while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas. Unsuspecting outsiders often assume that Canadians are just like their American neighbors, if perhaps a little more modest. However, there is much more to it than that. Canadian society is a complex mosaic of distinct cultural identities that vary from province to province, and with high levels of immigration, it is one of the most multicultural societies in the world. The country's unique development through devolution rather than revolution affects the way Canadians view the world and their place in it, while numerous events of the last decade have challenged their self-image and tested its substance. *Culture Smart: Canada* takes you to the heart of this diverse nation. It unpacks the key chapters in their history, describes the values that Canadians hold dear, and the attitudes that you are likely to encounter. It introduces you to the people and describes their way of life at home, work, and play. The people you will meet in Canada will more than likely be friendly and welcoming, but demonstrate an understanding of their culture and an awareness of their traditions, and your time spent with them will be greatly enriched. *Frommer's Comprehensive Travel Guide: Canada*, 1996. **This is that**, 2016. From CBC Radio's most beloved satirical comedy team comes *This is That Travel Guide to Canada*, a hilariously outrageous parody of the travel guide genre and what it means to visit Canada. Searching for a weekend away with the kids? *This is That Travel Guide to Canada* will teach you how to navigate the twelve petting zoos of Etobicoke and how to avoid pickpockets in Kamloops. Planning your summer holiday? Keep in mind that the city of Brandon, Manitoba, is closed for annual maintenance between July 12 and August 19, and that tipping your server in Swift Current is offensive. Presented in the familiar casing of a traditional travel guidebook like *Lonely Planet* or *Rough Guide*, *This is That Travel Guide to Canada* takes readers on a farcical and unbelievable journey from coast to coast to coast to coast to coast. This faux guide also includes essential travel tips such as useful Canadian phrases to locate the bathroom, best places to portage, and most spectacular malls above sea level. **Frommer's Canada** Leslie Brokaw, Hilary Davidson, Paul Karr, Bill McRae, Donald Olson, 2008-05-27. America's #1 bestselling travel series. Written by more than 175 outspoken travelers around the globe, *Frommer's Complete Guides* help travelers experience places the way locals do. More annually updated guides than any other series. 16-page color section and foldout map in all annual guides. Outspoken opinions, exact prices, and suggested itineraries. Dozens of detailed maps in an easy-to-read two-color design. *Frommer's* The best trips start here. Experience a
