Why Is There A Cross:

In the Shadow of the Cross: The Deeper Meaning of Calvary Ray Pritchard, The fallen cross stands as a symbol for the spiritual condition of the church of Jesus Christ in the early days of the twenty first century In many places and many churches the cross has fallen to the ground Instead of boasting in the cross we have neglected it substituting in its place religious activity and therapeutic language designed to help us feel better about ourselves And yet when the story is truly told it must be said that Christianity is supremely the religion of the cross At the center of our faith a dying man hangs suspended between heaven and earth Pastor Ray Pritchard takes a fresh look at the cross and the God man on it and asks who is He why is He there what are the words he is speaking What did the cross mean to God What did the cross mean to Satan What does the cross mean to you today Pastor Ray Pritchard asks these spiritually provocative questions in what will prove to be a spiritual tonic for your soul Center your world around the anchor of our faith the cross Discover the atonement found where grace and wrath meet Linger at the foot of the cross

The Theology of the Cross in Historical Perspective Anna M. Madsen,2007-01-01 The theology of the cross is indisputably a trendy concept today Numerous seminars books and dissertations tackle the topic But *The Theology of the Cross in Historical Perspective* demonstrates that theology of the cross is no passing fancy Theologies of the cross appear at the beginnings of the church in the sixteenth century reformations of the church and in the more contemporary modernization of the church Without theologies of the cross what the church is called to be and to preach becomes unclear So then what is the theology of the cross Anna Madsen surveys the theology of the cross in the thinking of Paul and Luther She also outlines several important twentieth century contributions to the subject On the basis of her analysis Madsen suggests that the theology of the cross reveals God to be found even in death In death after all boundaries disappear The theology of the cross assures Christians that God is present in the death of sin and in the realities of suffering and uncertainty Given that it announces God s presence the theology of the cross is ultimately a theology of grace freedom and trust
