Mitch Freeland, 2018-09-13 DISCOVER THE 3 IRREFUTABLE PLAYS THAT WILL MAKE YOU A WINNER Isn't it time you won at CRAPS In How to Play Craps and Win you will learn the three plays that give you the edge or an even gamble with the casino These methods are seldom discussed in gambling literature yet they produce profits time and again because they are mathematically proven the odds are in your favor In this book bestselling author Advantage player Mitch Freeland shows how he beat the dice for over 30 years You will learn An easy betting method that can give you as much as a 2 to 1 edge on certain bets How to bird dog a table How to benefit from superstitious players How to have an odds bet without a Pass line or Come bet How to manage your play for maximum profits When to press it up and when to take a walk Which type of players to play with that will practically guarantee you a profit The simple yet profitable favors you get my asking fellow players the right questions There are three irrefutable plays at the crap table that if played over any period of time and as instructed in this book will make you a big winner for the rest of your life Yes I know this is a big claim and it would be stupid or irresponsible of me to make such a statement without backing it up with solid facts and numbers Well the numbers are correct and the math doesn't lie The 3 irrefutable plays in this book work In fact by just practicing one of the plays in any casino will guarantee you a significant mathematical edge Mitch has been playing winning craps for more than thirty years He has seen a lot of players lose a lot of money over the years and only a few win The fact is well over 99 percent of people who play craps are losing players They lose for a number of reasons but most lose because they are not serious about the game and even though they may feel they know what to do they don't know how to do it correctly consistently and with self discipline The casino has an edge We know this However the casino does not have an edge when you exploit flaws from other players thus giving you a noted advantage that can make you a consistent winner The 3 irrefutable bets presented in this book are solid tested and irrefutable They have worked for decades perhaps even as far back as one hundred years ago when modern day craps evolved into the game it is today The 3 irrefutable bets are the best bets you will ever get from any casino In blackjack counting cards use to be the way to go but these days it is difficult with casino heat too hot and the hourly rate not worth the while for most small players This leaves one option in the casino craps How to Play Craps and Win is undoubtedly ordained to be a classic among hard hitting gambling books And for the price of a cup of coffee it is priced to please When you download How to Play Craps and Win today you'll get an easy to follow plan for winning craps Freeland's knowledge of the game and how to take profits is inspiring and well worth every penny IT WORKS Would You Like to Know More When you are ready Scroll to the top of the page and select the Buy button or Add to Cart Learn How to Play Craps Craps strategy craps basic strategy craps odds winning craps strategy winning at craps how to win at craps craps table craps tips craps betting strategy craps for winners craps craps odds best craps odds
