Edward Balfour

Winter Raven:

Ravens in Winter Bernd Heinrich, 2014-10-07 One of the most interesting discoveries I've seen in animal sociobiology in years E O Wilson Why do ravens generally understood to be solitary creatures share food between each other during winter On the surface there didn't appear to be any biological or evolutionary imperative behind the raven's willingness to share The more Bernd Heinrich observed their habits the more odd the bird's behavior became What started as mere curiosity turned into an impassioned research project and *Ravens In Winter* the first research of its kind explores the fascinating biological puzzle of the raven's rather unconventional social habits Bernd Heinrich is no ordinary biologist He's the sort who combines formidable scientific rigor with a sense of irony and an unslaked boyish enthusiasm for his subject and who even at his current professorial age seems to do a lot of tree climbing in the line of research David Quammen *The New York Times*

By Winter's Light Stephanie Laurens, 2015-09-29 As the six Cynster families gather together for the holidays at snowbound Casphairn Manor in Scotland Claire Meadows widow and governess to Gabriel Cynster's daughter starts a relationship with tutor Daniel Crosbie *The Winter Raven* Sabrina Sarvik, 2024-12-17 In *The Winter Raven* an ethereal collection of poetry the reader is beckoned into a world where stark landscapes and haunting melodies intertwine Each poem serves as a whisper of winter's chill exploring themes of solitude resilience and the beauty found in the starkness of the season From the first frost to the silent snowfalls the verses capture fleeting moments of introspection and profound beauty mirrored through the enigmatic gaze of the raven With rich imagery the poet crafts a tapestry of emotions reflecting on loss hope and the delicate balance of nature's cycles Whether you find solace in the quiet of a snowy evening or seek solace in the depth of human experience *The Winter Raven* promises to resonate with the heart inviting readers to embrace the intricate dance of darkness and light This is a collection for those who find poetry in the whispers of the cold and warmth in the shadows of winter's embrace *Coyote Brings Fire to the People, Iktomi and Muskrat, Raven and Crow's Potlatch* Amanda Jenkins, 2010 How will Coyote get fire from the terrible and greedy Skookums Will Iktomi trick Muskrat or will Muskrat trick Iktomi What will lazy Raven do to hardworking Crow so that he stays fed though the winter Read this book to find out
