**Wisden Collection** Bloomsbury Publishing Plc,2005-11      **Wisden Collection** Hugo De Plessis,2005-10-01      The Wisden Collector's Guide Jonathan Rice,Andrew Renshaw,2011-11-01 A companion to Wisden s Almanacks that will act as a guide for fans and collectors of the Almanacks as well as cricket enthusiasts It will include the vital statistics of each edition noteworthy events matches and obituaries from every year world news for extra context and information for the serious collector      *A Wisden Collection* Jonathan Rice,2005 For 141 years Wisden Cricketers Almanack has collected and collated what happens in top class cricket making Wisden the most famous name in sports publishing Its pages record the development of a game and reflect social changes in the world beyond the game s boundaries This second volume of A

Wisden Collection provides a taste of Wisden down the years picking out the highlights and the heroes who have made cricket headlines Jonathan Rice in Wisden Cricketer described the first collection as an unputdownable treasure trove of all that s quirky informative and fascinating about Wisden s view of cricket Volume Two will be just as appealing to all cricket fans      **The Wisden Collection One** Graeme Wright,2004 The Wisden Cricketers Almanack is the bible of cricket the annual publication of record which is enjoyed and treasured by cricket fans worldwide The Wisden Collection Bloomsbury s first co publication with Wisden brings together in one volume a selection from Wisden across the years including some of the most memorable matches players moments and the most unlikely incidents and facts associated with the game of cricket

**A Wisden Collection** ,2005      **Behind the Boundary** Graeme Wright,2012-08-02 An honest and critical analysis of the state of English cricket during one of the most chaotic and shifting periods in the history of the game      **Building** ,1907

**The Builder** ,1907      *Firsts, Lasts & Onlys of Cricket* Paul Donnelley,2010-10-04 200 brilliant and bizarre curiosities highlighting the First Last and Onlys that have occurred during the illustrious history of this sport from the determined cricketers fined for playing on the Sabbath to the only virtuoso to score a century and take all ten wickets in a single innings This absorbing collection of stories is guaranteed to enthrall and includes some of the greatest gentleman to have graced the field of play such as The first player to bat on all 5 days of a test match The last incidence of under armed bowling in an international match The only father and son to score centuries in the same First Class innings Delight in a myriad of facts that you never knew about this glorious game      *Sir Donald Bradman Memorabilia* James Merchant,2015-10-01 Sir Donald has always encapsulated a lot of what inspires me He was a remarkable sportsman and an Australian Legend who handled his fame with class His cricket prowess and longevity of life meant that a lot of memorabilia was produced since around 1930 and there is always a market for it As a person inflicted with the collecting bug and a strong sense of National pride I couldnt help myself There are many collectors and museums in the cricketing world but there is very little reference material relating to their treasures I have always kept the sales advertisements brochures certificates and boxes pertaining to the items in my collection because they give it more meaning An item of memorabilia can give you visual stimulus and even prompt some

feelings relating to its procurement or your journey to see it However Ive learnt that a little bit of knowledge can also transcend an item of memorabilia from an object to something more of a friend or family member For the statistically minded there are 209 A4 pages featuring 141 different items 214 colour images 381 references and 89 different cricketers are mentioned in connection with the items

**The Wisden Collector's Guide** Jonathan Rice,Bill Furmedge,2011-06-21 The Wisden Collector s Guide is the definitive companion to one of the world s most important sporting publications It begins with an overview of Wisden Cricketers Almanack introducing the original Wisden and describing the history of the publication The next section contains highlights from each of the 147 editions including bibliographic information excerpts from the best articles cricketers of the year interesting obituaries and noteworthy events and matches There is even some added historical context in the form of a selection of news stories It concludes with a section dedicated to the serious collector It contains a price guide and gives advice on how to build a collection and avoid forgeries and provides a variety of useful contacts Affording a glimpse of the cricketing and historical landscape of the last 147 years this is an accessible and fascinating volume for cricketing fans generally and a must have item for Wisden collectors
