*The Beatitudes* Tom Kingery, 2023-07-19 The Beatitudes A Journey Home is framed by the story of The Prodigal Son in the Gospel of Luke Chapter 15 Readers are encouraged to engage the story by imagining themselves as The Prodigal who after living a decadent lifestyle and then hitting bottom discovered his poverty of spirit and then found himself grieving desperately enough to realize that his only hope was to go home to his father believing he would be merciful enough to let him become a servant in his home The Chapters in Kingery s book examine each Beatitude seeing them as the stages in every journey of faith The Beatitudes are in some respects like an ethical code for living a recipe for walking in faith Take this journey of faith

**Revelation Abridged** Paul Brown, 2021-06-17 This abridged commentary takes a highlighter to the whole book of Revelation like preparing for a school examination These highlighted words provide practical means for understanding the main points of God s words in improving daily life From complexity comes simplicity and elegance of the seven visions of Revelation Discover that the vision of Moses Tabernacle parallels the Lord s Prayer the vision of the Holy City parallels the Seven Days of Creation the vision of the Four Horsemen of the Apocalypse matches the vision of the Four Hallelujahs the vision of the Trumpets of Justice matches the vision of the Bowls of Mercy then climatically the middle Arch Keystone vision four marks all of God s creation as innocent perfection Supporting interfaith quotes come from the Jewish Tanakh the Islamic Quran and the Christian New Testament So instead of trying to understand geo political battlefields and theological labyrinths just sit back and contemplate a few clarified phrases from each of the seven major visions See also how the shepherd s Psalm 23 aligns as an uncomplicated summary of these seven visions From this new nondenominational viewpoint the book of Revelation becomes practical an archway to bring more peace to daily experience

[The Abyss](#) Niall Ferguson, 2012-10-23 Excerpted from Niall Ferguson s sprawling bestseller *The War of the World* *The Abyss* now stands on its own as one of the most thrilling short histories of World War I ever written This is not a conventional military history about battles and generals Rather *The Abyss* examines how World War I saw the birth of total war fought between societies as much as armies and must therefore be understood in terms of the financial crises it unleashed the multinational empires it destroyed and the hateful ideas it propagated The most remarkable thing about the war Ferguson shows us is how shockingly unexpected it was At a time when economic integration and technology seemed to be rendering war between great powers impossible World War I was the moment when that process went into reverse and the lethal forces of ethnic disintegration took over Now on the cusp of the 100th anniversary of its outbreak we can see World War I as much more than just four years of industrialized slaughter Weaving together the economics of empire and the ideology of race and featuring an original preface by the author as well a teaser from his new paperback *Civilization* *The Abyss* is world history at its finest
