Without Feathers Getting Even Side Effect:

Complete Prose of Woody Allen Woody Allen, 1975 *The Complete Prose of Woody Allen* Woody Allen, Folio Society (London, England), 2008 **Without Feathers ; Getting Even ; Side Effects** Woody Allen, 1989 **The Films of Woody Allen** Charles L. P. Silet, 2006 From *What's Up Tiger Lily* to *Match Point* Woody Allen's work has generated substantial interest among scholars and professionals who have written extensively about the director In *The Films of Woody Allen Critical Essays* Charles L P Silet brings together two dozen scholarly articles that address the core of Allen's work from a variety of cultural and theoretical perspectives With a special emphasis on his films of the 1980s this collection includes both general essays that examine various themes and issues encompassed in Allen's repertoire as well as discussions that focus on one or two specific films General essays explore Allen's Jewish background as a religious and cultural facet his apparent love affair with New York City and his relation to various strains of humor particularly American film humor but also Allen's broad use of such traditional comic tropes as irony and parody The essays on individual films include examinations of some of Allen's most significant work including *Love and Death* *Annie Hall* *Interiors* *Crimes and Misdemeanors* *Hannah and Her Sisters* *Manhattan* and *Shadows and Fog* A number of the articles collected here were originally published in now hard to locate places while others were selected from journals not usually associated with film studies The result is an anthology of essays that presents an overview of the central issues raised by Allen's body of work as well as a close examination of fourteen individual films that convey these larger themes A wide ranging exploration of one of America's most innovative and productive modern directors this book should appeal to both professionals and students of contemporary film comedy

Seems Like Old Times Britta Feyerabend, 2009 Woody Allen is one of America's most prolific authors actors and auteur film directors His oeuvre which spans five decades has always been marked by a postmodern play with conventions experimental techniques and explorations of the status quo of modern urban lives Yet Woody Allen is also a nostalgic who makes the history of his nation his people and his individual subjects the constant theme of his work Whether cryogenically frozen Miles Monroe wakes up in the future only to misinform scientists about the past whether stand up comedian Alvy Singer reminisces his relationship to Annie Hall or whether ophthalmologist Judah Rosenthal is tormented by his memory of his Jewish rabbinical father after having had his girlfriend killed the past whether personal or communal is always an integral part of Allen's characterizations and plots Contrary to the assumption that postmodernity is necessarily linked to the future only and negates all history the present study argues that postmodern subjects very much depend on an active evaluation of the past and that through the lens of history present crises and traumata can be overcome In this way nostalgia manages to bring history back into postmodernism 100 Entertainers Who Changed America Robert C. Sickels, 2013-08-08 This fascinating and thought provoking read challenges readers to consider entertainers and entertainment in new ways and highlights figures from outside the worlds of film television and music as influential pop stars Comprising approximately 100

entries from more than 50 contributors from a variety of fields this book covers a wide historical swath of entertainment figures chosen primarily for their lasting influence on American popular culture not their popularity The result is a unique collection that spotlights a vastly different array of figures than would normally be included in a collection of this nature and appeals to readers ranging from high school students to professionals researching specific entertainers Each subject individual s influence on popular culture is analyzed from the context of his or her time to the present in a lively and engaging way and through a variety of intellectual approaches Many entries examine commonly discussed figures influence on popular culture in ways not normally seen for example the widespread appeal of Woody Allen s essay collections to other comedians or the effect of cinematic adaptations of Tennessee Williams plays in breaking down Hollywood censorship

Encyclopedia of American Humorists Steven H. Gale,2016-04-14 First published in 1988 this book contains entries on famous American Humorists Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character both regional and national Although American literature was in the past treated as inferior to British literature there has always been a large popular audience for the genre which this book shows The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten setting out to expose the foibles and foolishness of society and the individuals who compose it It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume Indeed the book will demonstrate that the best humor has at its base a ready understanding of human nature

Side Effects Woody Allen,1986-09-12 A humor classic by one of the funniest writers today SIDE EFFECTS is a treat for all those who know his work and those just discovering how gifted he is Included here are such classics as REMEMBERING NEEDLEMAN THE KUGELMASS EPISODE a new sorry called CONFESSIONS OF A BUGLAR and more

The Insanity Defense Woody Allen,2007-06-12 Comprising the classic bestsellers Getting Even Without Feathers and Side Effects this definitive collection of comic writings is from a man who needs no Introduction Really this book has no Introduction The Insanity Defense reveals many sides of Woody Allen as he holds forth on the most human of urges Why does man kill He kills for food And not only for food frequently there must be a beverage reflects on death I don t believe in an afterlife although I am bringing a change of underwear and notes the effect on history wrought by trick chewing gum the dribble glass and other novelties There is also an inspiring story of the futile race to beat Dr Heimlich to the punch The food went down the wrong pipe and choking occurred Grasping the mouse firmly by the tail I snapped it like a small whip and the morsel of cheese came loose If we can transfer the procedure to humans we may have something Too early to tell All Woody Allen fans will cherish this uproarious treasury and those who don t enjoy The Insanity Defense are just plain crazy If you don t care if you break into helpless whoops of laughter on buses trains or wherever you happen to be reading it Chicago Tribune on Without Feathers Brilliant flights of fancy whose comic detail and inspired silliness are at once dramatic and controlled The New York Times on Side Effects
