## **Witness Of The Stars:**

The Witness of the Stars Ethelbert William Bullinger, 2020-09-28 Some years ago it was my privilege to enjoy the acquaintance of Miss Frances Rolleston of Keswick and to carry on a correspondence with her with respect to her work *Mazzaroth or the Constellations* She was the first to create an interest in this important subject Since then Dr Seiss of Philadelphia has endeavoured to popularize her work on the other side of the Atlantic and brief references have been made to the subject in such books as *Moses and Geology* by Dr Kinns and in *Primeval Man* but it was felt for many reasons that it was desirable to make another effort to set forth in a more complete form the witness of the stars to prophetic truth so necessary in these last days To the late Miss Rolleston however belongs the honour of collecting a mass of information bearing on this subject but published as it was chiefly in the form of notes unarranged and unindexed it was suited only for but was most valuable to the student She it was who performed the drudgery of collecting the facts presented by Albumazer the Arab astronomer to the Caliphs of Grenada 850 a d and the Tables drawn up by Ulugh Beigh the Tartar prince and astronomer about 1650 a d who gives the Arabian Astronomy as it had come down from the earliest times Modern astronomers have preserved and still have in common use the ancient names of over a hundred of the principal stars which have been handed down but now these names are used merely as a convenience and without any reference to their significance This work is an attempt to popularize this ancient information and to use it in the interests of truth For the ancient astronomical facts and the names with their signification I am from the very nature of the case indebted of course to all who have preserved collected and handed them down but for their interpretation I am alone responsible It is for the readers to judge how far my conclusions are borne out by the evidence and how far the foundation of our hopes of coming glory are strengthened by the prophecies which have been written in the stars of heaven as well as in the Scriptures of truth

**Witness of the Stars** Ethelbert W. Bullinger, 1987-04-30 *The Witness of the Stars* by E W Bullinger is one of the best works available on Biblical astronomy Bullinger is very concise in his Biblical interpretations of constellations and star names His book is very informative as to where the constellation pictures came from a masterpiece that brings ancient light to a new generation In addition to teaching the constellations Bullinger's book gives insights that build faith in God The fact that most of the stars ancient names can be found and were used in the Bible to convey messages in one word adds even more credence to the truth of God's Word and that fact that God is still in control The witness of the stars as explained in this book may well be a fulfillment of that passage in Romans 16 where Paul states that God has revealed the gospel to all nations For centuries men have looked to the stars for navigation and signs for successful farming By showing the Biblical symbolism of the constellations Bullinger a respected Bible scholar shows how the stars are also God's blackboard in the sky Readers who desire untouched evidence of God will find it in this historical account in the stars from ancient civilizations on the message God sent back then to us He telleth the number of the stars he calleth them all by their names Psalms 147:4 The stars reveal

God's glory His power and His truth      **The Witness of the Stars** E. W. Bullinger,2019-09-23 About The Witness Of The Stars by E W Bullinger The book entitled The Witness Of The Stars by Dr E W Bullinger contains from a Western Gentile branching of the Judeo Christian perspective in principle and in fact one of the earliest quite extensive for its 1893 original publication and now clearly a most faithful summary of the received precepts and traditions concerning the celestial witness and a credible testimony to the glorious Gospel of the Christ as it was known in Ancient times These earliest beliefs and primordial faith and expectations were recorded and preserved from the mythological Inner African Genesis of Humanity documented in the Denderah of the Egypt to latter day Greek reinterpreted mythologies all without doubt traced to Messianic hopes and aspirations of native and the primitive peoples of the world There are many prophecies in the Bible whose proper interpretation depend on The Witness of the Stars in order to accurately be known      **The Witness of the Stars** E. publication and now clearly a most faithful summary of the received precepts and traditions concerning the celestial witness and a credible testimony to the glorious Gospel of the Christ as it was known in Ancient times These earliest beliefs and primordial faith and expectations were recorded and preserved from the mythological Inner African Genesis of Humanity documented in the Denderah of the Egypt to latter day Greek reinterpreted mythologies all without doubt traced to Messianic hopes and aspirations of native and the primitive peoples of the world There are many prophecies in the Bible whose proper interpretation depend on The Witness of the Stars in order to accurately be known *Witness of the Stars* E. W. Bullinger,2020-10 This edition has the best images and formatting For more than two thousand five hundred years the world was without a written revelation from God The question is Did God leave Himself without a witness The question is answered very positively by the written Word that He did not THE HEAVENS E W Bullinger 1837 1913 uses ancient astronomical sources and modern scientific data to show how the constellations witness to prophetic truths in the bible This is settled by the fact that Psalm 19 one part of which is occupied with the Revelation of God written in the Heavens and the part with the Revelation of God written in the Word This edition has been painstakingly formatted for easier reading has Roman Numerals replaced with modern numbers has British spelling changed to U S spelling and large images *The Witness of the Stars: The Twelve Star Signs of the Heavens and Their Role in the Biblical Lore, the Psalms, and God's Promise to Christians* E. W. Bullinger,2018-08-28 The Witness of the Stars stands as one of the best explanations of the constellations in the context of Biblical wisdom This edition includes all of E W Bullinger s original charts and illustrations of the heavens above To compose this book E W Bullinger used his Biblical scholarship alongside research of the origins of the astronomical constellations He demonstrates through a close reading of the Old and New Testaments how each of the star signs relates to the Bible s stories Gradually it is revealed how God makes himself known to us through the Bible s astronomy The symbolism of the star signs are shown as important in the Bible Their presence in verse relates not simply to their appearances such as Libra s scales or Aries as a ram but also the way in which Biblical figures behave after looking at the heavens for guidance The Book of Job is highlighted by Bullinger for being significantly influenced by the stars WITNESS OF THE STARS.
