Michael Woodiwiss

Witsec Inside The Federal Witness Protection Program:

Witsec Pete Earley, 2003-04-01 For decades no law enforcement program has been as cloaked in controversy and mystery as the Federal Witness Protection Program Now for the first time Gerald Shur the man credited with the creation of WITSEC teams with acclaimed investigative journalist Pete Earley to tell the inside story of turncoats crime fighters killers and ordinary human beings caught up in a life and death game of deception in the name of justice WITSEC Inside the Federal Witness Protection Program When the government was losing the war on organized crime in the early 1960s Gerald Shur a young attorney in the Justice Department s Organized Crime and Racketeering Section urged the department to entice mobsters into breaking their code of silence with promises of protection and relocation But as high ranking mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities and creating new ones It also meant cutting off families from their pasts and giving new identities to wives and children as well as to mob girlfriends and mistresses It meant getting late night phone calls from protected witnesses unable to cope with their new lives It meant arranging funerals providing financial support and in one instance even helping a mobster s wife get breast implants And all too often it meant odds that a protected witness would return to what he knew best crime In this book Shur gives you a you are there account of infamous witnesses from Joseph Valachi to Sammy the Bull Gravano to Fat Vinnie Teresa of the lengths the program goes to to keep its charges safe and of cases that went very wrong and occasionally even protected those who went on to kill again He describes the agony endured by innocent people who found themselves in the wrong place at the wrong time and ended up in a program tailored to criminals And along with Shur s war stories WITSEC draws on the haunting words of one mob wife who vividly describes her life of lies secrecy and loss inside the program A powerful true story of the inner workings of one of the most effective and controversial weapons in the war against organized crime and the inner workings of organized crime itself and more recently against Colombian drug dealers outlaw motorcycle gang members white collar con men and international terrorists this book takes us into a tense dangerous twilight world carefully hidden in plain sight where the family living next door might not be who they say they are

Witsec Pete Earley, Gerald Shur, 2003-08 No law enforcement program has been as cloaked in controversy mystery as the Fed Witness Protection Prog WITSEC Shur who created WITSEC tells the story of turncoats crime fighters killers ordinary people caught up in a life death game of deception in the name of justice In the early 1960s Shur urged the Justice Dep t to entice mobsters into breaking their code of silence with promises of protection relocation But as big mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities creating new ones An account of infamous witnesses of the lengths the program goes to keep its charges safe of cases that went wrong Photos *The Disruption of International Organised Crime* Angela Veng Mei Leong, 2016-03-16 Analyzing the structures of transnational organized crime this book considers whether traditional mechanisms and national

jurisdictions can tackle this increasing menace Highlighting the strengths and weaknesses in the present methods of control the book discusses the possibilities of developing more effective national and international strategies the creation of non legal mechanisms outside the traditional criminal justice system and the implications of disruption strategies The roles of law enforcement officers tax investigators financial intelligence officers compliance officers lawyers and accountants in enforcing both civil and criminal sanctions on organized crime are also considered *Organized Crime* Jay Albanese,2014-11-20

Organized Crime From the Mob to Transnational Organized Crime Seventh Edition provides readers with a clear understanding of organized crime including its definition and causes how it is categorized under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing This book offers a comprehensive survey including an extensive history of the Mafia in the United States a legal analysis of the offenses that underlie organized crimes specific attention to modern manifestations of organized crime activity such as human smuggling Internet crimes and other transnational criminal operations and the application of ethics to the study of organized crime A new section has been added on threat assessment in organized crime Chapters are enhanced by updated photos tables charts and critical thinking exercises that help students apply concepts to actual organized crime cases Every chapter includes two student friendly special features *Organized Crime Biography* and *Organized Crime at the Movies* A glossary gives students a quick reference for looking up important definitions of organized crime related terms and a *Timeline of Organized Crime in the United States* highlights important events in the history of organized crime *Organized Crime in Our Times* Jay S. Albanese,2014-09-25

Organized Crime in Our Times provides readers with a clear understanding of organized crime including its definition and causes how it is categorized under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing This book offers a comprehensive survey including an extensive history of the Mafia in the United States a legal analysis of the offenses that underlie organized crimes specific attention to modern manifestations of organized crime activity such as human smuggling Internet crimes and other transnational criminal operations and the application of ethics to the study of organized crime Forthcoming Books Rose Army,2003-04 **Current Publications in Legal and Related Fields** ,2003

Criminal Justice Newsletter ,2005 **West's federal reporter : cases argued and determined in the United States courts of appeals and Temporary Emergency Court of Appeals** ,1989 **Where the Bodies Were Buried** T. J. English,2015-09-15

The New York Times bestselling author of *The Westies* and *Paddy Whacked* offers a front row seat at the trial of Whitey Bulger and an intimate view of the world of organized crime and law enforcement that made him the defining Irish American gangster For sixteen years Whitey Bulger eluded the long reach of the law For decades one of the most dangerous men in America Bulger the brother of influential Massachusetts senator Billy Bulger was often romanticized as a

Robin Hood like thief and protector While he was functioning as the de facto mob boss of New England Bulger was also serving as a Top Echelon informant for the FBI covertly feeding local prosecutors information about other mob figures while using their cover to cleverly eliminate his rivals reinforce his own power and protect himself from prosecution Then in 2011 he was arrested in southern California and returned to Boston where he was tried and convicted of racketeering and murder Our greatest chronicler of the Irish mob in America T J English covered the trial at close range by day in the courtroom but also on nights and weekends interviewing Bulger s associates as well as lawyers former federal agents and even members of the jury in the backyards and barrooms of Whitey s world In *Where the Bodies Were Buried* he offers a startlingly revisionist account of Bulger s story and of the decades long culture of collusion between the Feds and the Irish and Italian mob factions that have ruled New England since the 1970s when a fateful deal left the FBI fatally compromised English offers an authoritative look at Bulger s own understanding of his relationship with the FBI and his alleged immunity deal and illuminates how gangsterism politics and law enforcement have continued to be intertwined in Boston As complex harrowing and human as a Scorsese film *Where the Bodies Were Buried* is the last word on a reign of terror that many feared would never end

[Protecting Intimidated Witnesses](#) Nicholas R. Fyfe,2001 Since the early 1990s concern has grown about the harassment and intimidation of prosecution witnesses and as a result several police forces have set up specialist units to protect witnesses under threat This is the first ever book to offer an in depth analysis of a witness protection programme Including interviews with both protected witnesses and police officers involved it examines the structure cost and effectiveness of such schemes and suggests how they might be expanded and developed at local national and international levels

[Gangster Capitalism](#) Michael Woodiwiss,2005 We know all about organized crime Blockbuster movies and books and thousands of news stories continually tell an eager public that organized crime is what gangsters do Closely knit ethnically distinct and ruthlessly efficient these mafias control the drugs trade people trafficking and other serious crimes If only states would take the threat seriously and recognize the global nature of modern organized crime the FBI s success against the New York mafias could be replicated throughout the world The wicked trade in addictive drugs could be halted The trouble is as Michael Woodiwiss demonstrates in shocking and surprising detail what everyone knows is pretty much completely wrong Organized crime is dominated by employees of multinational companies politicians and bureaucrats Gangsters are a problem but they are minor players when compared with the intelligence and law enforcement agencies that selectively enforce drugs prohibition and profit from it The position of large corporations in the global economy provides the most mouth watering opportunities for illegal profits Woodiwiss shows how respectable businessmen and revered statesmen have seized these opportunities in an orgy of fraud and illegal violence that would leave the most hardened Mafioso speechless with admiration

[Library Journal](#) Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May

a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
Talking Book Topics ,2003 Includes audio versions and annual title author index **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, The Encyclopedia of Careers and Vocational Guidance William E. Hopke,1967 Organized Crime Michael D. Lyman,Gary W. Potter,2000 This book demystifies the world of organized crime by analyzing it closely and critically from a social perspective Afro American Mexican Asian Colombian African and Jamaican criminal groups are discussed as well as their Italian criminal counterparts who are typically thought of when the term organized crime is used The book chronicles the history current role and future of players in the world of organized crime along with insight on what the criminal justice system is doing to suppress organized criminals the concept of organized crime theories of organized criminal behavior the evolution of organized crime the business of organized crime the illicit drug trade domestic organized crime groups a comparative perspective terrorism as organized crime organized crime s political and corporate alliance controlling organized crime For anyone interested in organized crime especially those in law enforcement
