Pink,2002-09 Man is notoriously a creature of extremes and nowhere is that fact more evident than in the attitude taken by different ones to this subject Whereas some have affirmed the Bible is written in such simple language that it calls for no explaining a far greater number have suffered the papists to persuade them that its contents are so far above the grasp of the natural intellect its subjects so profound and exalted its language so abstruse and ambiguous that the common man is quite incapable of understanding it by his own efforts and therefore that it is the part of wisdom for him to submit his judgment to holy mother church who brazenly claims to be the only Divinely authorized and qualified interpreter of God s oracles Thus does the Papacy withhold God s Word from the laity and impose her own dogmas and superstitions upon them For the most part the laity are quite content to have it so for thereby they are relieved of searching the Scriptures for themselves Nor is it much better with many Protestants for in most cases they are too indolent to study the Bible for themselves and believe only what they hear from the pulpits Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan like teachings Though born to Christian parents prior to conversion he migrated into a Theosophical society an occult gnostic group popular in England during that time and quickly rose in prominence within their ranks His conversion came from his father s patient admonitions from Scripture It was the verse Proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus *The Visual Bible Study Guide Volume 1* Jay A.
