Two Sierra:

Two Sierra Edward Stuart, 2005-11 The words of the Dean of Students echoed in his mind like a message of doom Well Mr Brady I m sorry to have to tell you this but you still didn t make it At first there had been that brief moment of shocked disbelief Surely he had thought he s not really saying this But then the awesome finality of the pronouncement hit him He had botched his second and final attempt to score high enough on the English comprehensive exams to graduate The realization that he would now never get his degree from Princeton stunned him It was as if he had been dealt a vicious physical blow How was he going to face the embarrassment and the shame of forever having to explain how he had completed four years in this place and had nothing to show for it But more immediately and far more distressing what was going to happen when he told his father The news could lead to another stroke Walter had never felt so devastated and alone Pummeled by even further misfortune and tragedy Walter in a make or break attempt to get his life back on track takes an extraordinary gamble he embarks on the long and daunting quest to become a naval aviator
