Two Faced Forward:

Rules for the Road Hanna William Hanna, William Hanna, 2010-04 Most travelers leave home Monday morning for a work week in the Chicago office saying Love yah see you Friday The hero in Rules for the Road is a quantum leap from that lucky character Last Friday afternoon he kissed his wife passionately and said Love you hope to see you before next month arrives You don't fly home on Friday afternoons when you find yourself halfway around the world We join our hero on a train in China headed for Nanjing where he and his team are about to begin another round of negotiations with a Chinese company to enter into a joint venture The meetings however quickly take a back seat to the culture of the people their mannerisms food drink and the winsome ways of their women with a personal agenda When the trip gets extended by an extra week and a half his life and the temptations of the flesh become almost intolerable Our loving husband finds himself swept up in dangerous events that he has neither contemplated nor imagined In other words the magnetism of his personality has a precarious impact on the women he meets this Svengali makes swooning ladies act out naughty thoughts

Early English Performance: Medieval Plays and Robin Hood Games John Marshall, 2019-10-08 Covering a period of nearly 40 years work by the author this collection of essays in the Shifting Paradigms in Early English Drama Studies series brings the perspective of a Drama academic and practitioner of early English plays to the understanding of how medieval plays and Robin Hood games of the fifteenth and sixteenth centuries were performed It explores why where when and how the plays happened who took part and who were the audiences The insights are informed by a combination of research and the public presentation of surviving texts The research included in the volume unites the early English experiences of religious and secular performance This recognition challenges the dominant critical distinction of the past between the two and the consequent privileging of biblical and moral plays over secular entertainments What further binds rather than separates the two is that the destination of funds raised by the different activities maintained the civic and parochial needs of the institutions upon which the people depended This collection redefines the inclusive nature

and common interests of the purposes that lay behind generically different undertakings They shared an extraordinary investment of human and financial resources in the anticipation of a profit that was pious and practical CS1081 **Flight**, 1919 Year Book American Institute of Actuaries, 1928 **Nine Lives** Patrick Quinlan, 2022-04-30 Praise for Patrick Quinlan A shocking violent read jam packed with action and a cast of incredible characters Independent Weekly Australia A superb debut A great crime novel Brilliant is the word Independent on Sunday Susan Jones is dead and yet alive Susan is a former robotics scientist for Suncoast Cybernetics who was murdered by the company Her awareness is inside Number Nine the incredible ninth generation prototype of Suncoast s immensely successful Sexbot line of robotic companions which Susan herself invented Number Nine is on the run with Mr Blue the corporate assassin who killed Susan Jones After a blood soaked confrontation with militarized Suncoast security forces on the docks in Key West Blue and Nine escape to Cuba Suncoast CEO Howard Neale believes mind downloading confers immortality and will be worth hundreds of billions of dollars to the company Meanwhile company Chairman James Walsh is dying of cancer and wants to use the technology to save himself They both need Number Nine to come back and will stop at nothing to make her do so including kidnapping her mother Suncoast scientist Ravi Kapoor has invented the ultimate artificially intelligent home companion a device he calls God Howard wants Ravi to take over the mind downloading project in Susan s absence rushing straight to human trials with violent convicts at a secret maximum security prison in the remote scrub desert of southwest Texas Ravi just wants to spend his time developing God But God has other plans Mr Blue and Number Nine are on a collision course with Howard Suncoast Cybernetics and now Eris a Sexbot with the downloaded mind of a white supremacist previously on Death Row A high tech corporation becoming a law unto itself Killer robots designed to look and act like small children A sociopathic artificial intelligence who believes the time of humans is reaching its end And a Sexbot harboring the awareness of an amoral killer set loose to run amok Nine Lives is the sequel to Sexbot by Patrick Quinlan It s a fast paced sexy dystopian adventure with twists turns and shocking surprises Praise for Patrick Quinlan A turbo charged tour de force Port City Life A fast paced thriller the story moves at warp speed capped by a cinematic chase before ending in spectacular fashion Los Angeles Times Tightly plotted confidently written and very hip Sunday Observer **Bulletin** Pennsylvania.
