Two Nights Of Courage:

Two Nights of Courage Penelope S. Hession, 2004-03 **The Expositor and Current Anecdotes**, 1911 *Two Charlestonians at War* Barbara L. Bellows, 2018-02-21 Tracing the intersecting lives of a Confederate plantation owner and a free black Union soldier Barbara L Bellows *Two Charlestonians at War* offers a poignant allegory of the fraught interdependent relationship between wartime enemies in the Civil War South Through the eyes of these very different soldiers Bellows brings a remarkable new perspective to the oft told saga of the Civil War Recounted in alternating chapters the lives of Charleston natives born a mile apart Captain Thomas Pinckney and Sergeant Joseph Humphries Barquet illuminate one another's motives for joining the war as well as the experiences that shaped their worldviews Pinckney a rice planter and scion of one of America's founding families joined the Confederacy in hope of reclaiming an idealized agrarian past and Barquet a free man of color and brick mason fought with the Union to claim his rights as an American citizen Their circumstances set the two men on seemingly divergent paths that nonetheless crossed on the embattled coast of South Carolina Born free in 1823 Barquet grew up among Charleston's tight knit community of the colored elite During his twenties he joined the northward exodus of free blacks leaving the city and began his nomadic career as a tireless campaigner for black rights and abolition In 1863 at age forty he enlisted in the 54th Massachusetts Volunteer Infantry the renowned Glory regiment of northern black men His varied challenges and struggles including his later frustrated attempts to play a role in postwar Republican politics in Illinois provide a panoramic view of the free black experience in nineteenth century America In contrast to the questing Barquet Thomas Pinckney remained deeply connected to the rice fields and maritime forests of South Carolina He greeted the arrival of war by establishing a home guard to protect his family's Santee River plantations that would later integrate into the 4th South Carolina Cavalry After the war Pinckney distanced himself from the racist violence of Reconstruction politics and focused on the daunting task of restoring his ruined plantations with newly freed laborers The two Charlestonians chance encounter on Morris Island where in 1864 Sergeant Barquet stood guard over the captured Captain Pinckney inspired Bellows compelling narrative Her extensive research adds rich detail to our knowledge of the dynamics between whites and free blacks during this tumultuous era *Two Charlestonians at War* gives readers an intimate depiction of the ideological distance that might separate American citizens even as their shared history unites them

We Who Proudly Served Peter Francis Kenny, 2015-05-27 Although Australia is only a young country in comparison to other nations it can hold its head up high and proudly proclaim that it is one of the giants in this world of toil and trouble in which we live When the odds are stacked against Australians they don't turn and run instead they stand and fight and overcome the obstacles that face them The contents of this volume are a tribute to all the men and women of this proud and great country who have come from all walks of life to give of their time and unfortunately some have even given their lives to defend this great land and keep it free There have been politicians doctors nurses police officers average everyday citizens

musicians actors artists farmers graziers authors sportsmen and women journalists and a host of others who have taken up the cause for their country and the monarchy serving from the Crimean to the war in Vietnam and beyond Their heroic deeds and their many sacrifices have ensured that todays generation can rest easier proud in the knowledge that these servicemen and women have paved the way for our freedom Now they come together once again as one big family to shed an insight on their achievements so that you can fully understand and appreciate what they have and had experienced I dedicate this work to the memory of all those who have made the supreme sacrifice in order that we may live in peace and prosperity and also to the families of those who did not return The book is not a glorification of war but a glorification of the individual and his or her actions and deeds
