birth Above all we see the man in all his shifting moods the gracious easy almost avuncular manner straining against a powerful furious intensity an almost furious energy Here is the dark tragedy the humor and the hard earned wisdom of a life whose outward calm concealed an internal drama an unrelenting fight against hopelessness and despair Percy s story is that of a writer and moralist who made enduring art out of his search for truth BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Walker Percy Gary M. Ciuba,2010-09-01 In Walker Percy Books of Revelations Gary M Ciuba examines how Percy s apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist s fiction by focusing on its religious and artistic design one of the first studies to approach Percy s work from this perspective Ciuba considers Percy s six published novels The Moviegoer The Last Gentleman Love in the Ruins Lancelot The Second Coming and The Thanatos Syndrome and also offers the first extended critical analysis of his unpublished work The Gramercy Winner Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy s fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers
