Walking Time Bombs:

Walking Time Bombs Joel Norris, 1992 The author of *Serial Killers* takes readers inside the minds of seven vicious killers as he seeks the warning signals that authorities missed in such infamous cases as those of Joe Fischer Arthur The Butcher of Genesee Shawcross and Daniel Rakowitz Many of these crimes have been chronicled on *Unsolved Mysteries* and *America's Most Wanted*

Code 936 Bill Jr. Kimbrell, Jr. Kimbrell, 2009-06 James Cantrill hard working businessman family man the guy next door thinks he's having a day from hell when he is unexpectedly fired But hell gets hotter he's kidnapped hustled onto a corporate jet and smuggled to Puerto Rico There he finds himself embroiled in a brutal global conspiracy involving CODE 936 the obscure IRS tax code which secretly benefits hundreds of huge manufacturers in Puerto Rico What James knows may get him killed Out of her mind with worry Trish his partner and wife struggles to find him She his daughters friends his trusted lawyer and finally the FBI endeavor to discover his whereabouts while trying to penetrate this airtight cover up They soon learn that a number of ruthless people will go to any length to make sure James is never found and the truth is never revealed Powerfully evocative and steeped in international intrigue CODE 936 is a riveting expose of the IRS tax code corporate greed medical fraud torture corporate corruption and managed healthcare It is also a story of love undaunted courage and spiritual triumph

How Fear Works Frank Furedi, 2018-06-14 In 1997 Frank Furedi published a book called *Culture of Fear* It was widely acclaimed as perceptive and prophetic Now Furedi returns to his original theme as most of what he predicted has come true In *How Fear Works* Furedi seeks to explain two interrelated themes why has fear acquired such a morally commanding status in society today and how has the way we fear today changed from the way that it was experienced in the past Furedi argues that one of the main drivers of the culture of fear is unravelling of moral authority Fear appears to provide a provisional solution to moral uncertainty and is for that reason embraced by a variety of interests parties and individuals Furedi predicts that until society finds a more positive orientation towards uncertainty the politicisation of fear will flourish Society is continually bombarded with the message that the threats it faces are incalculable and cannot be managed or contained The ascendancy of this outlook has been paralleled by the cultivation of helplessness and passivity all this has heightened people's sense of powerlessness and anxiety As a consequence we are constantly searching for new forms of security both physical and ontological What are the drivers of fear what is the role of the media in its promotion and who actually benefits from this culture of fear These are some of the issues Furedi tackles to explain the current predicament He believes that through understanding how fear works we can encourage attitudes that will help bring about a less fearful future

The Killing Game Mark Bourrie, 2016-03-08 On January 21 2015 a pro ISIS Twitter

account reported that John Maguire a 23 year old university drop out from the Ottawa Valley town of Kemptonville had been killed fighting Kurds in the Syrian city of Kobani A few weeks before Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada Why would young people choose to fight in other people s wars especially one as bloody and cruel as this one Why has ISIS become so good at attracting foreign fighters This book examines the lure of this radical Islamist movement its religious beliefs sophisticated propaganda and vast social media networks ISIS is now a go to cause for alienated young people in the Islamic World and the West Does it offer answers to troubled young people Are ISIS s crimes slavery murder rape repression and the destruction of heritage sites an attraction in and of themselves What do we do about the people who take up ISIS s cause but stay in their home country What do we do with the ISIS recruits who come home The Killing Game examines what draws young men and women to join violent social political movements It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized From the irresistible lure of Marxist Leninism of the 1930s through the 60s and 70s and including the appeal of Nazism to young Germans in the 1930s this book also investigates what it is that draws young people to join and fight for causes as different as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s but with an emphasis on the attraction of ISIS and radical Islam in our own time

Freedom Underground Carl Rising-Moore,Becky Oberg,2004 In the United States the Iraq war has become an incredibly divisive and destructive issue Many citizens even former American veterans support our troops but strongly oppose the actions of the U S government The Bush administrations failure to provide evidence of weapons of mass destruction their failure to support claims of a rogue nuclear program their inability to provide links between Al Qaeda and Saddam Hussein s government their unilateral military action in the face of opposition from the United Nations and their massive miscalculations regarding manpower and the reaction of the Iraqi people have led to a international policy disaster of epic proportions Freedom underground highlights these issues but also brings a new issue to

light The Iraq war has become divisive not only in the political arena but with current soldiers serving in the Armed Forces Statistics show that eleven soldiers and three Marines have killed themselves in the past seven months in Iraq The GI Rights Hotline received nearly 29 000 calls in 2003 from soldiers trying to leave their posts Carl Rising Moore illustrates the high price our brave young men and women are paying for this war Moore and co author Becky Oberg take you behind the scenes explaining why he has helped suicidal young soldiers cross this nation s borders to safety BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Sweet Street** Jack Olsen,1975 **Upscale** ,1996

Ouch! Susan R. Germanson,2001-04 Men in Black Dean Wesley Smith,2000 When aliens check in they check them out The brand new action packed adventure with characters from the blockbuster movie continues The truth may be out there but sometimes it comes too close for comfort That s when the men and women of a supersecret organization swing into action Their job is to monitor the Earth for alien infestation and send them back where they come from Be warned The less you know the better This is their story Imagine not being invited to a party and finding out that the scum of the universe had been asked specially Imagine being really really mad Imagine deciding to blow up the host of that party in this case Earth Thousands of alien warships are massing above the planet right now for just that reason Someone on Earth asked the Grazers the most hated aliens in the galaxy to dinner As if the threat of annihilation wasn t enough for Agents Jay and Elle to deal with the Grazers are big dumb and very hungry and they re stripping the entire planet of grass and trees But the worst is yet to come For Jay and Elle are determined to find out who invited these alien parasites to Earth in the first place and the trail leads straight to MiB Who at MiB would want to betray the organization and all of humankind And even more troubling why This time the truth isn t out there someplace It s so close that Jay and Elle may not see it until it s too late And by then Earth just might be one big empty salad bar c 2000 by Columbia Pictures Industries Inc All rights reserved *American Cooperation* American Institute of Cooperation,1985 Vols for 1968 include Land Grant University Conference on Farmers Cooperatives Papers
