Why Mining

Why Mining:

Why Mining? David L. McKay, 2002 Why Mining Professor Leslie Crouch asked the Author when being interviewed at the beginning of Third Year Engineering at the University of British Columbia in 1948 Giving an answer saying something like having always lived in or near mining towns I enjoyed the people It was a pretty lame answer but it was the best that could be given at the time The Author s bibliography covers employment in Sheep Creek Gold Mines Malartic Goldfields Steep Rock Iron Mines Rockiron IMC Cominco and Texasgulf Kidd Creek of a period of 35 years and then consulting on his own for 17 years In his career mining activities took him to many of the states in the US as well as all provinces and territories in Canada and to foreign assignments in Scandinavia China and Kazakhstan The question of Why Mining is finally resolved or concluded in the Epilogue What other endeavour could provide more fun than Mining Mining had everything one would ever want in a career There was travel there was money to spend there was money to be made but most of all there were people Perhaps the answer given in 1948 was not too far off the mark because the Author did mention he enjoyed the people This biography of a mining engineer s career spanning the years of 1948 to 2000 a period of over 50 years is about the Mining People met in the pursuit of his profession
