Cogan, 1993-10 A Brief Catechism for Adults is a little masterpiece designed for convert instructions It was actually compiled from the notes of many Catholic priests who originally used the instructions from the first edition of the book with tens of thousands of converts Thus it represents the fruit of many minds For years it was practically the standard catechism in the U S and Canada for instructing people in the Catholic faith Packed with facts and written in short clear question and answer format accompanied by brief Scripture quotes the book is concise and to the point and shows exactly what one must believe and do in order to be saved Using ordinary language to explain theological truths it stresses what is required to form a correct Catholic conscience This book gives special emphasis to marriage since most people either save or lose their souls as married persons showing the duties people have as spouses and parents It includes also a list of common mortal sins the interior design of a Catholic church how to pray the Rosary popular saints names for Baptism and Confirmation familiar Catholic prayers and practical points on common questions that arise in an unbelieving world A Brief Catechism for Adults is an incredible one volume handbook on how to be a good Catholic that is at once perfect for inquirers but also excellent for adult cradle Catholics All Catholics need to know what is in this little book whereas unfortunately likely ninety nine percent today do not For simplicity readability interest and completion there is no book of its kind that comes close to A Brief Catechism for Adults **Catholic Educational Review** Edward Aloysius Pace, Thomas Edward Shields, 1946 Hospital Progress , 1956 Guidance to Heaven Giovanni Bona, 1995-09 This is the best book we have ever seen to show the shortness and uncertainty of life and why we should live in anticipation of and preparation for death Says we should not live being afraid to die because we are not prepared but realizing that death is one s grand entrance into true life if one is well prepared we will make it our life s work to get ready A powerful book to help us get properly oriented spiritually in life 195 pgs PB **Moral Principles of Nursing** Edward J. Hayes, 1964 THE ROSARY IN ACTION JOHN S JOHNSON, 1977 **The Mother of God and Her Glorious Feasts** H. O'Laverty, 2010-05 One of the truly remarkable Catholic books the reader will ever encounter and is much more than a book about Mary Mother of God and Her Glorious Feasts gives a complete view of the Catholic way of life and is one of those rare books of facts that not only reminds us of truths we have already learned but shows us their real and powerful meaning Whether a beginning student in the study and love of Mary or the most advanced Marian devotee readers will enjoy a rich
