**The Witch and The Lamb** Jenny Joy,2026-01-10      The Witch's Warning Joseph Delaney,2019-05-02 A gloriously spooky horror fantasy story from Joseph Delaney the internationally multi million bestselling author of *The Spook s Apprentice* Crafty halted his heart lurching with fear his mouth dry There were bare footprints in the white snow and each one was smeared with red as if the owner of those clawed feet had stepped in a puddle of blood Crafty and his friends have already faced dozens of horrifying aberrations during their time as Castle Gate Grubs assistants to the mysterious guild of Gatemancers who fight against the terrifying Shole But the real battle is only just beginning New and more dangerous aberrations are appearing all the time and worse yet it seems someone from within the Castle is helping them attack And when an old enemy returns to give Crafty a disturbing warning it seems time might be running out for all of them      The Witch's Revenge David Anthony,2006-12-30 There s trouble in Oz The Wicked Witch of the West is back and in possession of Dorothy s magic shoes With the magic shoes she is more powerful than ever before and after returning to her castle she takes over all of western Oz Then with an army of flying monkeys and enslaved Winkies she marches south to attack Trisha the Good Witch of the South whom she had once feared but now is out for revenge If she is successful the Good Witch of the North will be next and then all the good in Oz will be lost forever The Land of Oz is a battleground and all the good countries have joined together to try and stop the Wicked Witch of the West who seems to have no weaknesses When all seems hopeless it s the Scarecrow who realizes he holds the Wicked Witch of the West s one weakness in the palm of his hand

**Gray Witch's Grimoire** Amythyst Raine,2012-05-25 What makes this book unique The world of the gray witch has been largely avoided misrepresented or glossed over with various books geared gingerly towards protection magic These books though informative and well written as they may be have totally missed the spirit of the gray witch who she really is how she relates to the world of shadow and light and exactly what she s willing to do to stand her ground In our society dark is automatically viewed as evil and light is automatically viewed as good We re expected to live completely within one realm and to totally avoid the other This creates imbalance and is a great injustice to the true spirit of the ancient wise woman This book puts matters to right and gives the public a view of just what the gray witch is and what she isn t The gray witch does not live in a world of chaos or unbridled black magic She has a code of honor a sense of propriety and a relevance in today s society      *Tory and Whig* Edward Harley Earl of Oxford,William Hay,1998 Parliamentary papers of Edward Harley Third Earl of Oxford and William Hay MP for Seaford 1716 1735      The Taming of Nan Ethel Carnie Holdsworth,1919
