Witches Of Devon:

Devons Forgotten Witches 1860-1910 Tracey Norman, Mark Norman, 2026-05-19 An examination of some obscure witchcraft cases from Devon's past using archive records and drawing modern comparisons **Devon's Forgotten Witches** Tracey Norman, Mark Norman, 2025-08-21 Witchcraft and witches throughout history have long captured the imagination yet hidden away in archives are records of long forgotten cases Many of these are tragic some are unusual perhaps even inexplicable but all are fascinating in their own right Devon's Forgotten Witches 1860 1910 takes a deep dive through these records bringing to the surface accusations of witchcraft in the county that have languished unacknowledged in the British Newspaper Archive for decades These are the stories of ordinary people whose lives were touched in some way by witchcraft Tracey Norman and Mark Norman examine these cases within their historical context pulling together details from various news reports to explore what might really have happened This work provides an intriguing snapshot of press coverage in the Victorian and Edwardian eras showing how the public were urged to view those who still put their faith in incredible superstition Most importantly the retelling of these stories gives a new voice to those whom the historical record has silenced Wives, Widows, Witches & Bitches Janet A. Thompson, 1993 This book is a study of women and witchcraft in seventeenth century Devon It focuses on the social political economic and religious factors in the county and various borough towns which led them to be likely to single out women for the crime of witchcraft It also deals with female alehouse keepers defamation suits brought by women against other women for sexual slander wills administrations and the disposal of real and personal wealth by and to women in this period The Last Witches of England John Callow, 2021-10-07 Fascinating and vivid New Statesman Thoroughly researched The Spectator Intriguing BBC History Magazine Vividly told BBC History Revealed A timely warning against persecution Morning Star Astute and thoughtful History Today An important work All About History Well researched The Tablet On the morning of Thursday 29 June 1682 a magpie came rasping rapping and tapping at the window of a prosperous Devon merchant Frightened by its appearance his servants and members of his family had within a matter of hours convinced themselves that the bird was an emissary of the devil sent by witches to destroy the fabric of their lives As the result of these allegations three women of Bideford came to be forever defined as witches A Secretary of State brushed aside their case and condemned them to the gallows to hang as the last group of women to be executed in England for the crime Yet the hatred of their neighbours endured For Bideford it was said was a place of witches Though pretty much worn away the belief in witchcraft still lingered on for more than a century after their deaths In turn ignored reviled and extinguished but never more than half forgotten it seems that the memory of these three women and of their deeds and sufferings both real and imagined was transformed from canker to regret and from regret into celebration in our own age Indeed their example was cited during the final Parliamentary debates in 1951 that saw the last of the witchcraft acts repealed and their names were chanted as both inspiration and incantation by the women beyond the wire at

Barry, 2011-12-13 Using south western England as a focus for considering the continued place of witchcraft and demonology in provincial culture in the period between the English and French revolutions Barry shows how witch beliefs were intricately woven into the fabric of daily life even at a time when they arguably ceased to be of interest to the educated **The Bibliographer's Manual of English Literature** William Thomas Lowndes, Henry George Bohn, 1871 List of Works Relating to Witchcraft in Europe New York Public Library, 1911 *A Guide to the Reports and Transactions of the Devonshire Association for the Advancement of Science, Literature, and Art* H.
