Ten Commandmentsbeatitudes:

The Ten Commandments and the Beatitudes Yiu Sing Lúcas Chan,2012-09-14 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In The Ten Commandments and the Beatitudes Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text s original meaning then interpret the text within a sound ethical framework The Ten Commandments and the Beatitudes is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom

The Ten Commandments and the Beatitudes , Trilogia Tommasa Alfieri,2007 This trilogy reflecting on the Ten Commandments on the Beatitudes and on St Paul s Great Canticle of Love the Hymn to Charity provides an inspiritual commentary on the fundamental structure of God s Law revealed in the Old and New Testaments We are guided through our common experience of the human condition when confronted by the reality of our loving Creator even as we acknowledge our misery we are overwhelmed by Grace Tommasa Alfieri explores the very depths of the human soul knowing that only be becoming fully self aware may we be helped to ask the Lord for what we truly need

Cover,John Thiede,Joshua Ezra Burns,2019-07-02 This book comprises essays honoring the life and work of Yiu Sing L c s Chan S J who died unexpectedly on May 19 2015 at the end of his first year as a member of the faculty in the Department of Theology at Marquette University The editors intend to commemorate Chan s brief but productive career by furthering the critical conversations he started The essays included thus touch on aspects of the brilliant young Jesuit s wide ranging work in the fields of scriptural research moral theology and systematic theology Each essay either engages Chan s scholarship directly or seeks to advance his design to bridge the disciplinary gaps between scriptural research and constructive theology This book includes contributions by noted Roman Catholic theologians James F Keenan S J Bryan N Massingale and John R Donohue S J as well as two original poems by his Marquette colleagues dedicated to L c s

The Moral Life James F. Keenan,2024-01-02 A profound inquiry into what prompts human beings to act morally Most foundational texts on theological ethics address either the person or society In The Moral Life James F Keenan SJ posits that these two are inextricably linked He presents eight stages of preparing for the moral life describing vulnerability as the foundation for contemporary ethics He understands vulnerability to be what establishes the human capacity for recognizing and responding to others rather than a compromised state of being Mutual recognition emerges as the first moral act of the vulnerable human He shows how conscience guides the activity of one who has first vulnerably recognized others The Moral Life offers scholars and students of Christian ethics a novel perspective on what we need to know not only to be and live morally but also to teach and share with others what they need to know

The Journey of the Beatitudes Richard Wilson,1986 **Salt and Light** Mark P. Shea,2013 Salt and Light offers a fresh perspective on the Ten Commandments and the Beatitudes showing how these two pillars of Christian moral teaching complement each other The Ten Commandments are the ground floor providing the bare minimum contours of the moral life The Beatitudes by contrast point us to a way we can live our lives as creatures intended to share in the life of God Mark Shea in his engaging style introduces the modern reader who often thinks of the moral life as a list of dos and don'ts to a fuller grasp of Catholic moral teaching as part of the process of being transformed by the Holy Spirit and living joyfully in virtue not merely as a rule keeper Salt and Light reveals the commandments as showing us our brokenness and pushing us toward the Savior and then points the reader to the way to ultimate happiness our beatitude This book is an excellent companion volume to *The Work of Mercy* which examines the corporal and spiritual works of mercy and is a rich exploration of the Church's moral and social teaching The audio edition of this book can be downloaded via Audible **The Ten**
