King's Toothache Colin West, Anne Dalton, 1991-06-01 **The Mandate of Heaven** S J Marshall, S. J.

Marshall, 2015-12-14 The Mandate of Heaven was originally given to King Wen in the 11th century BC King Wen is credited with founding the Zhou dynasty after he received the Mandate from Heaven to attack and overthrow the Shang dynasty King Wen is also credited with creating the ancient oracle known as the Yijing or Book of Changes This book validates King Wen's association with the Changes It uncovers in the Changes a record of a total solar eclipse that was witnessed at King Wen's capital of Feng by his son King Wu shortly after King Wen had died before he had a chance to launch the full invasion The sense of this eclipse as an actual event has been overlooked for three millennia It provides an account of the events surrounding the conquest of the Shang and founding of the Zhou dynasty that has never been told It shows how the earliest layer of the Book of Changes the Zhouyi has preserved a hidden history of the Conquest *The Dental Cosmos* J. Keightley,2014-08-12 These Bones Shall Rise Again brings together in one volume many of David N Keightley s seminal essays on the origins of early Chinese civilization Written over a period of three decades and accessible to the non specialist these essays provide a wealth of information and insights on the Shang dynasty traditionally dated 1766 1122 or 1056 BCE Of all the eras of Chinese history the Shang has been a particularly elusive one long considered more myth than reality A historian with a keen appreciation for anthropology and archaeology Keightley has given us many descriptions of Shang life Best known for his analysis of oracle bones he has looked beyond the bones themselves and expanded his historical vision to ponder the lives of those who used them What did the Shang diviner think he was doing The temerity to ask such questions and the insights they have provided have been provocative and at times controversial Equally intriguing have been Keightley s assertions that many of the distinctive features of Chinese civilization were already in evidence during the Shang 3000 years ago In this collection readers will find not only an essential reference but also the best kind of thought provoking scholarship
