The Last Man:

The Last Man Mary Wollstonecraft Shelley, 1998-07-16 The Last Man is Mary Shelley's apocalyptic fantasy of the end of human civilisation. Set in the late twenty-first century, the novel unfolds a sombre and pessimistic vision of mankind confronting inevitable destruction. Interwoven with her futuristic theme, Mary Shelley incorporates idealised portraits of Shelley and Byron yet rejects Romanticism and its faith in art and nature.

The Last Man Mary Wollstonecraft Shelley, 2007-01-01 I will write and leave in this most ancient city this world's sole monument a record of these things I will leave a monument of the existence of Verney the Last Man. At first I thought only to speak of plague of death and last of desertion but I lingered fondly on my early years and recorded with sacred zeal the virtues of my companions. They have been with me during the fulfilment of my task I have brought it to an end I lift my eyes from my paper again they are lost to me. Again I feel that I am alone.

The Last Man Mary Wollstonecraft Shelley, Hugh J. Luke, Jr., Anne K. Mellor, 1993-11-01 The Last Man ends in 2100 the last year of the world. A devastating plague has wiped out humanity except for one man. This novel of horror originally published in 1826 was rejected in its time and out of print from 1833 to 1963 when the first Bison Books edition appeared. Some critics now rate The Last Man more highly than Frankenstein by the same author. This Bison Books edition offers a new introduction by Anne K. Mellor who writes: In our era of AIDS and biological warfare Shelley's apocalyptic vision of an incurable plague that gradually destroys the entire human species resonates with mythic power.

Publishers Weekly Eugene Cernan was a unique American who came of age as an astronaut during the most exciting and dangerous decade of space flight. His career spanned the entire Gemini and Apollo programs from being the first person to spacewalk all the way around our world to the moment when he left man's last footprint on the moon as commander of Apollo 17. Between those two historic events lay more adventures than an ordinary person could imagine as Cernan repeatedly put his life, his family and everything he held dear on the altar of an obsessive desire. Written with New York Times bestselling author Don Davis The Last Man on the Moon is the astronaut story.

The Last Man ANNOTATED Mary Shelley,2021-04-14 With two

settings one three centuries in the future and the other contemporary with Mary Shelley's own time. *The Last Man* combines elements of science fiction and fantasy. Lionel Verney, writing in the year 2100, believes he is the last human being left alive. Having completed a record of the events leading to the plague that wiped out humankind, he plans to set off alone, not knowing if others might survive in some distant land. In the introduction, Mary Shelley states that these writings were found in 1818 in a cave where the sybils are thought to have lived. Thus, the ancient history documented therein also somehow occurs in the future. Lionel's memoir recounts his life at court in England's monarchy and its abrupt end when the king dies and the queen banishes his family. The young outcast and his sister Perdita meet and befriend Prince Adrian, a bond that remains strong. Lionel later marries Adrian's sister Idris, and Perdita marries Lord Raymond, who fought in a war between Greece and Turkey. Lionel, Adrian, and Raymond take up the Greek freedom fighters' cause and are lauded as heroes when they return. Raymond is found to be unfaithful, however, and then dies; the distraught Perdita kills herself. In contrast, Lionel and Idris have several children and a harmonious family life. Adrian, whose branch of the royal family has been out of favor, decides to return to London. He is partly inspired to do this by the plague that is ravaging not only Europe but Asia and America as well. Adrian's excellence in leadership has a positive effect on morale, but that cannot stop the disease from spreading. Each day thousands perish. Among them are Idris and one of her and Lionel's sons. The handful of English survivors after the years of devastation include Lionel and his other son, as well as Adrian and Queen Clara. Sailing to France, the group finds equal devastation with Paris left almost empty. A false prophet has gained a loyal following, but Adrian helps them see through his bad influence. The English group continues on to Switzerland and then to Italy, where Lionel's son dies. Their next destination is Greece, but en route by sea, their boat is wrecked, and only Lionel survives. At this point, safely back in Italy, Lionel devotes himself to penning this record. When he finishes, he will embark on a lone journey throughout Europe and Africa.
