

WOODPILE

The Luddite

Frank Peel

The Luddite:

The Luddite Rebellion Brian Bailey, 1998-11 In modern parlance Luddite has come to mean one who rejects modern ways for a simpler time While the term is bandied about frequently in our technology saturated age the historical events in which the expression finds its origin have largely been forgotten The Luddite riots which proved to be one of the defining moments of the Industrial Revolution began in 1799 when Ned Ludd a backward youth is said to have smashed a knitting frame Ludd's actions provoked a prolonged outbreak of machine breaking by desperate textile workers giving way to a rebellion that would serve as a metaphor for future generations Who were the Luddites What were their ultimate aims if indeed they had any How were they organized Who were their leaders The Luddite Rebellion explores these and other questions presenting a comprehensive account of the Luddite Rebellion from its beginnings to the savage repression which marked its end Ben o' Bill's, the Luddite: by D.F.E. Sykes, and G.H. Walker Daniel Frederick E. Sykes, 1898 **Writings of the Luddites** Kevin Binfield, 2004-06-14 An invaluable collection of texts written between 1811 and 1816 by members of the Luddite movement and their sympathizers Named for their probably mythical leader Ned Ludd the Luddites were a group of social agitators in nineteenth century Britain who tried to prevent the mechanization of cloth factories which they blamed for increased unemployment poverty and hunger in industrial centers Though famous for their often violent protests the Luddites also engaged in literary resistance in the form of poems proclamations petitions songs and letters In *Writings of the Luddites* Kevin Binfield collects complete texts written by Luddites or Luddite sympathizers between 1811 and 1816 adds detailed notes and organizes the documents by the three primary regions of origin the Midlands Northwestern England and Yorkshire Binfield's extensive introduction provides a historical overview of the Luddites and their activities explores their rhetorical strategies and illuminates their literary context Written for the most part from a collective point of view the texts themselves range from judicious to bloodthirsty in tone and reveal a fascination both with legal forms of address and with the more personal forms of Romantic literature as well as with the recent political revolutions in France and America Ben O'Bill's, the Luddite D. F. E. Sykes, George Henry Walker, 1888 *The Risings of the Luddites, Chartists and Plug-drawers* Frank Peel, 1895 **The Risings of the Luddites, Chartists and Plugdrawers** Frank Peel, 1888 **The risings of the Luddites** Frank Peel, 1888 The Luddites Malcolm I. Thomis, 1993 This work aims to place Luddism within the context of machine breaking as a long established practice of industrial relations and to assess its role within the many movements of social protest that were occurring in this period The causes aims and organization of Luddism are examined *Rebels Against The Future* Kirpatrick Sale, 1995-04-30 The first popular history of the rebellion against technology that still reverberates today In the 1990s we use the term luddite to refer to anyone not enamored of technology Now the author of *The Conquest of Paradise* Christopher Columbus and the Columbian Legacy takes us back to the time when being a Luddite could get you hanged *A Guide to Historical Fiction* Ernest Albert Baker, 1914 This work has been selected by scholars as

being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
